

Chromebook Contract

Celina City Schools
2015-2016
Dell

School Email: _____@live.celinaschools.org
(username)

Student ID: 20 _____
(lunch debit#)

- I understand that having a Chromebook is a privilege. Therefore, I understand that if my conduct with the Chromebook is deemed inappropriate by the staff at Celina Schools, it can/will be taken away.
- I will report to each of my classes every day with my charged Chromebook in my possession. If I forget the Chromebook or it is not charged I understand I may be forced to do any class work by paper and pencil for that time.
- I will keep the Chromebook secure in the cover case supplied by Celina Schools.
- I will use the Chromebook appropriately during class time, and I will not lend it to others.
- When using the Chromebook at home, I will transport and store it appropriately. I will keep it in safe, dry place and avoid damage from pets, small children, etc.
- I agree to be financially responsible for the equipment belonging to Celina Schools. I understand that I am responsible for replacing the Chromebook if it is lost, damaged, or stolen. Lost, stolen, or destroyed Chromebook costs \$255 to replace. Screen \$50*. Keyboard \$50*. Charger \$40*.
- Each incident of damage to a Chromebook will be handled on an individual basis and investigated as to the cause and individual(s) involved. The student Code of Conduct would also be enforced for both student's actions and/or damage to school property. In all damage cases, communication with the student's parents will be a key factor. This also needs to be reciprocated when damage occurs with use of the Chromebook at home.
- I understand this equipment (Dell Chromebook 11, charger, and case) is issued for the 2015-2016 school year. I will return it prior to the end of the school year.
- I understand that the Chromebook is the property of Celina Schools and anything done on the Chromebook can be seen/reviewed by the Celina Schools staff.

We understand and agree to the conditions stated above.
