### **ALMA MATER AND FIGHT SONG**

#### **Alma Mater**

We sing to the school of the green and the white,  
The school with the spirit true;  
We'll ever keep thy honor bright,  
And pure as crystal dew.

Chorus: So raise your joyful voices high,  
And Alma Mater sing;  
Thy name we'll ever glorify;  
As fruits from thy labor we bring.

#### **Fight Song**

On Celina, on Celina, play your best today.  
Hit 'em high and hit 'em low,  
Oh, make that scoreboard sway. Rah! Rah! Rah!  
On Celina, on Celina, fight on for your fame,  
Fight fellows fight and we will win the game.

### **STUDENT SERVICES**

#### **STUDENT WELL-BEING**

Student safety is the responsibility of both students and staff. Staff members are familiar with emergency procedures such as evacuation procedures, fire and tornado drills, safety drills in the event of a terrorist or other violent attack, and accident-reporting procedures. If a student is aware of any dangerous situation or

accident, s/he must notify a staff person immediately.

State law requires that all students have an emergency medical authorization form completed and signed by a parent or guardian on file in the School office.

Students and staff are expected to immediately report to a teacher or administrator any suspicious behavior or situation that makes them uncomfortable.

### **INJURY AND ILLNESS**

All injuries must be reported to a teacher or the office. If the injury/injuries is/are minor, the student will be treated and may return to class. If medical attention is required, the office will follow the School's emergency procedures and attempt to make contact with the student's parent/guardian.

A student who becomes ill during the school day should request permission to go to the office. An appropriate adult in the office will determine whether the student should remain in school or go home. No student will be released from school without proper parental permission.

### **CONCERNS/COMPLAINTS**

The following guidelines are established so that students and parents may bring their concerns to the attention of the most appropriate party and have some means by which their concerns may be expressed and considered fairly. We suggest that the following procedure be followed:

1. If a concern emanates from a school situation, students and/or parents should first discuss it with the teacher/advisor most directly involved.
2. If the parties concerned believe that the discussion has not led to a satisfactory conclusion, they may proceed to discuss the matter with the principal and/or assistant principal in an attempt to reach a solution.
3. Concerns about administrative actions may be addressed directly to the principal or assistant principal.

### **HEALTH SERVICES**

1. The school nurse is in the building or on call during the school hours.
2. To leave school due to illness, a student must obtain permission from the school nurse or office staff.
3. A student must obtain the permission of the teacher in charge of the class to leave the classroom to report to the clinic.
4. Any student, who is on medication, whether taken during school hours or not,

should make the school nurse and administration aware of this immediately and complete the required forms.

5. Medications; prescriptions or over-the-counter, are not permitted to be carried by the student, or kept in one's locker, with the exception of asthma inhalers and emergency medications, ***once the appropriate forms are completed and turned in.***

6. The procedure for administration of medications to students is as follows:

- A. Prior to the administration of prescription medications, the appropriate form must be completed and signed by a physician and the student's parent/guardian.
- B. All medications must be in their original container when received by school personnel.
- C. Medications are not to be transferred from one container to another by school personnel.
- D. Medications are to be kept in a locked area in the clinic at all times.
- E. Identification of the student and the medication shall be made before, during, and immediately after the administration of the medication.
- F. Medications are to be given only by persons authorized by the building principal.
- G. Medications are to be recorded on the "Medication Administration Record" at the time given. Personnel giving the medication shall initial the square for the appropriate date. Any employee whose initials appear on the form must initial and sign the form in the appropriate space at the bottom of the form.
- H. When any error in administration of medication is discovered, the building nurse must be notified immediately.

### **GUIDANCE**

All students are welcome to visit the guidance department as needed for academic, social, and professional inquiries. The three CHS counselors are assigned to specific portions of the student body.

Counselors are available to meet with students to discuss issues relating to classes, college and career planning, graduation requirements and course criteria, graduation point systems concerning the End-of-Course tests, personal issues, and any other concerns as needed. Students may request to meet with a counselor by emailing his/her counselor: [Wendy.Gabes@Celinaschools.org](mailto:Wendy.Gabes@Celinaschools.org), [Ethan.Knopp@Celinaschools.org](mailto:Ethan.Knopp@Celinaschools.org), or [Emily.Selhorst@Celinaschools.org](mailto:Emily.Selhorst@Celinaschools.org). Appointments will primarily be scheduled during the I/E period.

### **FINANCIAL AID/SCHOLARSHIPS/GRANTS**

Planning for college expenses must start early. Students planning on higher education need to consider alternatives for finding and getting the money to pay for such things as tuition, room & board, books, transportation, and miscellaneous expenses.

**Starting Point:**

Start by consulting with your parents/guardians and School counselor. Share with them your thoughts and plans. Be prepared to discuss your college/technical school choices. Do your homework by collecting information about each choice (cost, location, telephone, application, financial aid assistance, and admittance requirements). Select your top three school choices. Remember, there is often an application-processing fee to apply to each school. Keeping your list to a few choices will keep processing fees to a minimum.

**When to start:**

The earlier you apply the better. Most grant money available from individual schools is spent early. The earlier you apply, the better your chances for receiving "FREE" money. Remember, grants do not have to be paid back.

Financial-aid mania hits its peak season in January, February, and March. Many colleges recommend completing the federal student-aid application (FAFSA) by March 1 for students interested in a FALL enrollment.

**Websites:**

- **www.finaid.org** - The financial aid information page sponsored by the National Association of Student Financial Aid Administrators
- **www.ed.gov** - The home page for the US Department of Education
- **www.collegeboard.org** - Home page for college board, includes a scholarship search
- **www.mapping-your-future.org** - A site with resources on college and career planning, formed by a consortium of the country's largest student loan guarantors.
- **www.ed.gov/money.html** - The Education Department's site allows students to download the software that will allow them to fill out and file the "Free Application for Federal Student Aid" (FAFSA). This is the first step necessary to determine the need of a family applying for financial aid. Using this method may reduce processing time by as much as four weeks. Call 1-800-801-0576 to request this free, IBM only, compatible software.

**CAFETERIA**

The lunch period is closed to the student body which means students may not leave nor have commercially prepared food delivered to them. Students who violate the closed lunch policy are subject to reasonable disciplinary action at the discretion of the disciplinary official. This disciplinary action can include detention, In-School Suspension, Wednesday School, and/or Out of School Suspension for repeat offenders.

The cafeteria environment and services have been upgraded and improved to

include a variety of popular items from area businesses as well as the usual school lunch. Costs vary depending upon each student's selections. A computerized debit system will be used which will allow advance payment for meals and a la carte items as well as paying cash on a daily basis. All students will be required to enter their PIN number regardless of meal status or payment method, thus ensuring your child's privacy. There will be **no charging** for high school lunches.

Go to: [www.celinaschools.org/Cafeteria.aspx](http://www.celinaschools.org/Cafeteria.aspx) to add money or check the balance on your student's lunch account using the PaySchools Central Login. You may also use this site to view the monthly Breakfast and Lunch menu.

No diploma shall be delivered to a graduating senior nor shall any transcripts be made available to any student, graduate or to anyone requesting it on his/her behalf until all fees and fines for that student have been paid in full. Students will be prohibited from participating in commencement exercises unless full payment has been received.

**CO-CURRICULAR AND  
EXTRACURRICULAR ACTIVITIES**

**TITLE IX COMPLIANCE**

In compliance with Title IX, the Celina City School District has affirmed that no person shall, on the basis of sex, be excluded from participation in any of its educational programs or activities. If a student feels s/he has been discriminated against, s/he should report immediately to the building principal.

**Rights and Responsibilities**

Students who attend Celina High School have a wide variety of extracurricular organizations and clubs to which they may become active participants. Students are expected to obey all school rules and regulations and any specific regulations that may apply to that particular program. The high school Student Handbook and this Activity Code specify the school's expectations. Pupils have a right to reasonable treatment from the school and its employees. The school, in turn, has a right to expect reasonable and responsible behavior from its students.

**Code**

A violation of any of the following rules may result in denial of participation from the co-curricular or extracurricular activity for the duration of the semester or school year.

1. All school rules apply as stated in the Student Handbook.
2. Suspension or expulsion from school includes same suspension or expulsion from co-curricular or extracurricular activities.
3. Students must be present in school on the day of any activity in order to participate in that activity. Prior administrative approval must be received to arrive late the day following any extracurricular or co-curricular activity.
4. Students must remain in good standing in their organization such as fulfilling office, member obligations and paying dues.
5. Students must conduct themselves so as not to disrupt meetings and practices. Students must show respect for others and their advisor.
6. Students are to attend required meetings unless excused by the advisor.
7. Students must meet the academic eligibility requirements of the organization to which they belong.

### **Procedures for Implementing Co-Curricular and Extracurricular Activity Code**

1. All activity advisors are to publish those specific rules and regulations that are unique to their programs and are not covered by these general rules. This published set of rules is to be filed with the principal.
  
2. Advisors must follow due process procedures when participation is denied from the organization. The following standards are to be observed:
  - A. All participants have been given previous notice of the rules and regulations under which they are operating.
  - B. The advisor will (if it is deemed possible) conduct a conference with a student who violates the rules.
  - C. When it becomes necessary to deny a student participation in an activity, a student is to be given written notice of this action and the reason(s) thereof. This notice shall include the "rights of appeal" information. A copy must be given to the principal within 24 hours.
  - D. The student or parent has the right to appeal the decision of the advisor to an appeal board within one week of the notice of action. The appeal board shall consist of assistant principal, student council advisor, and a designated faculty representative. This three-person board will make a recommendation to the principal. This board will be known as the Extracurricular Appeals Board.
  - E. The decisions of the advisors and recommendations of the appeals board are subject to the final decision of the principal. The final authority to deny participation in any school activities rests with the principal
  - F. A student will not be permitted to participate in the extracurricular or co-curricular activity during the appeals process.
  
3. Students may be removed from extracurricular activities when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption in such a setting. If a student is removed from extracurricular activities, such removal may include all extracurricular activities.
  
4. If a student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, the Superintendent, Principal, Assistant Principal or personnel employed to direct, supervise or coach a student activity program may remove the student from the premises.

### **EXTRACURRICULAR ELIGIBILITY POLICY**

Satisfactory academic achievement should be a condition for eligibility to participate in curricular or extracurricular activities. This policy therefore establishes minimum requirements for student participation in such activities.

A. Students (grades 9 – 12) involved in interscholastic activities, which are defined as pupil activity programs that the school district sponsors or participates in and that include participants from more than one school district, must meet the following requirements:

1. No more than one failing grade in the previous grading period.
2. No less than a 1.50 grade point average on a 4.0 grading scale in the previous grading period.
3. Student must receive a passing grade in a minimum of five (5) one credit courses or the equivalent, which counts toward graduation. At least three (3) of the four courses must be half credit courses.
4. Comply with all requirements set by the Ohio High School Athletic Association.

B. Students involved in any other extracurricular activity supervised by an employee under a supplemental contract, an activity meeting during non-school hours which is required by a graded course of study (i.e., marching band, choir, etc.), must meet the following eligibility requirements:

1. No more than one failing grade in the previous grading period.
2. No less than a cumulative 1.50 grade point average on a 4.0 grading scale.
3. Student must receive a passing grade in a minimum of five (5) one-unit credit courses or the equivalent, which count towards graduation.

Any student who becomes ineligible under this Section B is required to attend all curricular classes held during the regular school day but shall not participate in the activities of those classes held before or after school during the period of ineligibility (except concert assessments from the graded course of study). Ineligible students will be graded only on those activities performed during the regular school day.

A student enrolling in the seventh grade for the first time is fully eligible for the first grading period regardless of previous academic achievement.

Due process guidelines for extracurricular and co-curricular activities as set forth in the student handbook are applicable to people who are facing ineligibility under this policy.

**STUDENT DRUG TESTING FOR EXTRACURRICULAR ACTIVITIES**

Pursuant to Board Policy and Administrative Guideline 2430.03, students participating in any high school extra-curricular program and/or contests under the control and jurisdiction of the District and/or the Ohio High School Athletic Association (OHSAA), or any person who holds a District parking pass, must comply with the Celina High School drug testing policy. Parents and students must sign a consent form online via Final Forms allowing for their students to be drug tested as a condition of their participation. Refusal of consent will result in the non-participation of that student for the respective activity.

**ATHLETICS**

It is understood that Athletics qualify as extracurricular activities and are therefore subject to all extracurricular activity policies contained herein.

**INTERSCHOLASTIC ATHLETIC POLICY**

Purpose of the Interscholastic Athletic Program of the Celina City Schools:

- A. The athletic program of the Celina City Schools, in its entirety, intends to offer the students of the Celina City Schools the opportunity to develop their individual skills, abilities, and knowledge to the fullest possible extent in the various areas of athletic competition. It is intended to instill and encourage self-discipline, cooperation, and a positive competitive attitude within and among team members. It is intended to function with the interest and support of both participant and observer and of both the student body and the community in general.
- B. The opportunities provided by the athletic program will be available to students without regard to race, creed, color, sex, national origin, and socio-economic station in life.
- C. Federal and State regulations related to the availability of athletic opportunities will be adhered to in accordance with policies of the Celina Board of Education.

**STUDENT ATHLETIC CONDUCT CODE**

**Part I: Rights and Responsibilities**

Students attend Celina City Schools under the direction of state law and with the full benefits of constitutional protection for their rights as citizens. They, therefore, can speak, act, or behave as young citizens within a large scope of options. This code is published in conformity with right to reasonable treatment from the coaches and advisors. The school in turn has a right to expect reasonable behavior from student athletes, managers, cheerleaders, statisticians, and trainers. The term athlete will cover the above five titles.

**Part II: Rules**

**Rule 1.** All athletes must meet the eligibility requirements as determined by the Ohio High School Athletic Association.

**Rule 2.** An athlete will not behave in such unsportsmanlike manner that could cause physical injury or damage to other athletes, other students, school personnel, or school property.

**Rule 3.** An athlete will not possess, handle, transmit, conceal, or use drugs, narcotics, tobacco, or alcoholic beverages. See Part IV Consequences

**Rule 4.** The athlete shall comply with directions of the coaches, advisor, athletic director, or principal during the sports season.

**Rule 5.** All athletes shall ride the bus to and from athletic events unless otherwise specified procedures have been set up by the coach/advisor, athletic director, or principal.

**Rule 6.** All athletes must have the following forms in the office prior to beginning practice: 1) Physical Evaluation Form signed by the doctor, parents, and student; 2) Emergency Medical Form; 3) signed Parents' Consent Form; 4) signed Insurance Waiver form; 5) signed Warning of Potential Injury form. Until these forms are submitted, individuals cannot participate.

**Rule 7.** The athlete shall not participate in any acts that violate the student conduct code as set forth by the Celina City School Board of Education.

**Rule 8.** The athlete shall not participate in any act, criminal or otherwise, that may violate civil law. School officials will work with the Juvenile Court system when situations arise.

**Rule 9.** Sports Banquets: All student athletes are required to attend their specific sports banquet/assembly in order to receive any award unless the coach or athletic director gives prior approval.

**Rule 10.** School Attendance: A student must attend at least one-half of a school day to be eligible unless he/she is excused by the principal. Prior administrative approval must be received to arrive late the day following any extracurricular activity.

**Rule 11:** Student athletes' GPAs will be monitored twice a month. When an athlete is in season and his/her GPA falls below a 2.0, the athlete will be required to attend academic study tables.

Progressive disciplinary for unexcused absence at study tables (per monitoring period):

1st: Issued a warning

2nd: Denied participation in a scheduled practice

3rd: Denied participation in one-half of the next scheduled contest

4th: Denied participation for entirety of the next scheduled contest

5th: Additional consequences shall be determined by the Principal,

Assistant Principal, or Athletic Director.

All head coaches have the right to make rules and regulations beyond these stated rules. The consequences of Rule #3 cannot be reduced or minimized in any way but may be increased at the discretion of the coach. Infractions of this rule are specified in Part IV of the Student Athletic Conduct Code. Student-athletes who violate the Athletic Conduct Code or the rules and regulations established by the coach will be denied the privilege of participation. All participants and their parents are to be made aware of the rules/regulations and consequences of any infractions of these rules and regulations prior to participation.

**Any student may be suspended from an athletic team practice and competition for a period of time, designated by the principal, for infraction of school rules and regulations or for any other unacceptable conduct in or out of school.**

### **Part III. Length of Season**

Athletic rules are enforced in accordance with OHSAA season designations. Individual coaches are reserved the right to place additional stipulations and requirements of student behavior at their discretion. Violations in the second half of a season are to be served in the next season of participation. Penalties prescribed as a percentage of the season will be based on the total number of contests for a typical regular season.

These rules are minimums for participation in athletics at Celina City Schools. Individual coaches, the Celina Athletic Department, or the Celina City Schools have the right to institute additional requirements / guidelines / rules / or penalties for athletic participants.

A violation of federal, state or local law/ordinance, including felony or misdemeanor acts other than minor traffic offenses may result in a penalty as provided in the penalties section. Conviction of said act is not necessary to establish a violation of the Athletic Training Rule Policy, but will be determined through an independent school investigation.

Participation in athletic programs is NOT a right, but a privilege that may be regulated. Therefore, all student athletes who participate in any athletic program(s) offered by Celina City Schools' Athletic Department will meet these regulations.

Student athletes shall adhere to the approved dress code and physical appearance

policies of the school and those additional written codes imposed by his/her particular sport. This dress code is to be such as to prohibit students from displaying obscenities, vulgarity or promotion of drug and alcohol usage, or bring embarrassment to the coach, team, or school.

This program is in effect for grades 7-12 and all violations will be held cumulatively through graduation or upon departure from Celina City Schools.

#### **Part IV. Consequences**

**Any student may be suspended from an athletic team practice and competition for a period of time, designated by the principal, for infraction of school rules and regulations or for any other unacceptable conduct in or out of school.**

##### **Rule #3 (Tobacco, Alcohol, etc)**

**First Offense:** A student athlete found to be in violation of Rule 3 will result in denial of participation for no less than 20% of the scheduled contests and the student athlete must complete the season. Also he/she will be required to complete a period of not less than 4 hours of substance abuse programming from the CHS Counselors, Foundations, or similar agency for evaluation and counseling. Parental attendance will be required as per the request of Foundations personnel. Any fees assessed by the agency for this service will be the responsibility of the athlete.

**FAILURE TO COMPLY WITH THESE CONSEQUENCES WILL RESULT IN AN AUTOMATIC DENIAL OF PARTICIPATION FOR THE REMAINDER OF THE SEASON OR THE NEXT SEASON OF PARTICIPATION.**

**Second Offense:** A second offense will result in denial of participation for no less than 50% of the scheduled contests and the student athlete must complete the season. Also he/she will be required to be assigned to the Gateway Outreach Center or similar agency for evaluation and counseling. Any fees assessed by the agency for this service will be the responsibility of the athlete.

**FAILURE TO COMPLY WITH THE ABOVE CONSEQUENCE WILL RESULT IN AN AUTOMATIC DENIAL OF PARTICIPATION FROM ALL ATHLETIC PROGRAMS FOR A PERIOD OF NOT LESS THAN ONE (1) YEAR.**

**Third Offense:** A third offense will result in denial of participation in all athletic programs for a period of one (1) year, from the date of denial. Also he/she will be

required to be assigned to Foundations or similar agency for evaluation and counseling. Any fees assessed by the agency for this service will be the responsibility of the athlete.

**FAILURE TO COMPLY WITH THE ABOVE CONSEQUENCES WILL RESULT IN AN AUTOMATIC DENIAL OF PARTICIPATION FROM ALL ATHLETIC PROGRAMS FOR THE REMAINDER OF HIS/HER HIGH SCHOOL CAREER.**

**Fourth Offense:** A fourth offense will result in denial of participation from all athletic programs for the remainder of his/her high school career.

**\*\*\*Special Note\*\*\***

When a violation occurs, consequences of the violation must be completed prior to further participation in any program. Quitting a team, to avoid conduct code consequences, does not constitute fulfillment of the conduct code requirements. Consequences of the violation then must be served during the next season of participation.

**Part V. Due Process Procedure**

1. When an infraction occurs, the coach has the responsibility to discipline the student athlete.
2. The coach will meet with the student athlete being disciplined and present him/her with the charges. The student athlete will have an opportunity to explain his/her position.
3. If disciplinary action results in denial of participation, the student athlete will be informed in writing of the intended removal and the reasons for the proposed action. Denial of participation will begin 24 hours from receipt of this notice. Copy of the notice will be sent to the Superintendent.
4. The student athlete will be given the right to appeal the decision to an appeals board within twenty-four (24) hours of the official notice. This appeal hearing must be held within seventy-two (72) hours of the appeal request.
5. The appeals board will consist of the Celina Schools Athletic Director, building Student Council Advisor, and a building faculty member.
6. The appeals board will be responsible to make a recommendation relative to the appeal to the building principal. During the appeal process the participant **WILL NOT BE PERMITTED** to participate in the activity.
7. The final authority to accept or deny the appeal will be the responsibility of the building principal.

## HAZING

This policy has been adopted by Celina High School to maintain a safe learning environment for students that is free from hazing. The Celina High School shall not tolerate any hazing of students and prohibits hazing at all times.

1. **Definition:** Hazing is defined as performing any act or coercing another, including the victim, to perform any act of initiation into any class, team, or organization that creates a substantial risk of causing mental or physical harm. Such conduct includes, but is not limited to, whipping; beating; branding; forced consumption of any food, liquor, beverage, drug, or other substance; or any physical health or safety of any student or other person, or that subjects such student or other person to substantial mental stress, including deprivation of sleep or rest, or extended isolation.
2. **Staff's responsibilities:** Teachers, administrators, volunteers, contractors, and other district employees shall be alert to possible situations, circumstances, or events that may constitute hazing. Any such person who receives a report of, observes, or has other knowledge or belief of conduct that may constitute hazing shall inform the school principal immediately. Teachers, administrators, volunteers, contractors, and other district employees shall not plan, direct, encourage, aid, engage in, permit, condone, or tolerate hazing.
3. **Where and when policy applies:** This policy applies to behavior that occurs on or off school property and during and after school hours.
4. **Formal reporting procedure:** Any person who believes he or she has been the victim of hazing or any person with knowledge or belief of conduct that may constitute hazing shall report the alleged acts immediately to the school principal or the Superintendent.
5. **Informal reporting:** Students and staff may seek advice on matters related to the hazing policy without having to file a formal complaint. Students who feel they have been subjected to hazing should talk with a principal, teacher, coach, or advisor. Staff members approached by students shall counsel them on options available to them under this policy and are required to report the incident to the Principal, Assistant Principal, or Athletic Director. Staff members who have concerns about possible hazing behavior are encouraged to talk with a principal, teacher, coach, or advisor.
6. **Discipline:** The school district will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other district employee who is found to have violated this policy. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge.

## **POLICIES AND PROCEDURES**

### **ATTENDANCE POLICY**

**PURPOSE** Ohio Revised Code Sec. 3321.01, states that a person between the ages of 6 and 18 is of “compulsory school age,” which means they are required to attend school. Ohio’s Missing Child Law requires schools to make every effort to contact parents of absent students. It is the duty of CHS administration & staff to enforce laws of compulsory school attendance. Determinations of excused or unexcused absences are made by the administration. For cases not addressed below, the building principal or designee has full authority to handle each according to his/her best judgment. It is the responsibility of students and parents to ensure punctual and satisfactory attendance is maintained. School administration and staff assume the responsibility of keeping accurate records while upholding policy as appropriate.

### **NOTIFICATION Attendance office: (419) 586-8300 ext. 1505**

*Parents must notify the attendance office by 7:00 AM the day of an absence. All student or self-calls are unexcused unless a note from a parent validates the absence & is received upon the student’s return to school.* If a student is absent and there is no contact received from a parent, the school will call in an effort to identify the student’s whereabouts and ensure their safety. *Students requiring a call from the school will be marked as an unexcused absence for that entire day.* If a parent cannot be reached, the Truancy Officer may be notified to help locate the child. The school will send periodic attendance reports to parents of students with attendance concerns. Excessive unexcused absences are grounds for Absence Intervention and Juvenile Court referral.

### **EXCUSED**

Excused absences are allowed for students due to personal illness, illness in the family necessitating the presence of the student, quarantine of the home, death in the family, necessary work at home due to the absence or incapacity of parent(s)/guardian(s), observation or celebration of a bona fide religious holiday, absence during the school day for professional appointments, emergency or other set of circumstances, medically necessary leave, service as a precinct officer, or other good cause as may be acceptable to the Superintendent. Students are responsible for obtaining, completing, and submitting any and all assignments missed due to excused absence. The length of time for make-up work is commensurate with the length of the absence. Students are expected to complete make-up work and assignments outside of the regular school day in an effort to minimize missed classroom instruction.

Students may miss up to **10 days total** in a school year. When contacting the attendance office, you must provide a reason for missing school. It is parent and student's responsibility to communicate and receive prior approval for foreseen absences. Each student is limited to **10 excused absences** per academic year. College visits will not count against the 10-day allowance when approved by the building Principal and/or Assistant Principal (see below).

#### RESTRICTIONS (Excused days)

- Student vacation cannot occur during the last week in a semester due to final exams. Unexcused absences during final exams will result in no credit for the course.

College Visits:

- An appointment must be made with a representative of the college/university and verified to the Principal, Assistant Principal, or guidance counselor.
- College visitation form must be completed and returned to a guidance counselor 3 days prior to the absence/visit
- A parent or adult over 21 years of age must accompany the students on the visitation & sign the visitation forms.
- Visits to WSU-LC should be made after hours. Lima schools, unless dictated by appointment times, should require only half-day absences.

Attendance penalties are waived for medical absence when proper documentation is provided. A doctor's note with specific times and dates of medical care or excuse must be submitted within 5 school days of a medical absence. If no note is provided, the absence will count against the 10-day allowance or as an unexcused absence if no allowance remains. Absences in excess of the 10 outlined above will be designated as unexcused.

#### **UNEXCUSED**

Unexcused student absences are detrimental to any student's education. By being absent excessively or without justification, students miss valuable classroom instruction and educational activities. Students will earn up to 60% credit on all class work missed due to an unexcused absence. Consequences for unexcused absences may include: an intervention team, Juvenile Court referral pursuant to ORC 3321.01, in-school assignment to allow for students to catch up on necessary learning, detention, Lunch detention, Wednesday School, or other consequences as deemed appropriate by the Principal or Assistant Principal. Because online courses are self-paced, a lack of progress may be considered an unexcused absence until adequate progress is demonstrated. Students over the age of 18 may be withdrawn

should unexcused absences become excessive or detrimental to the educational environment. Lastly, disregard for attendance and excessive unexcused absences may impact a student's participation in graduation ceremonies, homecoming, prom, field trips, or parking on school property.

Student absences are tracked by hours as well. Partial absences and tardies will be tracked and accumulated toward the absence thresholds and consequences listed below. In an effort to support attendance and academic success while avoiding truancy, please be advised of the following student designations and accompanying actions taken as needed by Celina High School.

- Habitually Truant
  - 30 consecutive hours without a doctor's note
  - 42 hours in a school month
  - 72 or more hours in school year
- Excessively Absent
  - 38 hours of excused and unexcused absences combined per month
  - 65 hours of excused and unexcused absences combined per year
- Chronically Absent
  - 10% of the total hours in a school year
  - 92 hours of excused and unexcused absences combined per year

Should these thresholds of absence occur, a student under 18 years of age will have formal complaints made against them in the Mercer County Juvenile Court in accordance with state law.

#### **TARDY POLICIES**

**Tardy to School/Class/Lunch:** Students are expected to be at school, in class and to lunch on time. Tardies per class each semester shall be handled in the following manner:

1<sup>st</sup> tardy - results in a WARNING

2<sup>nd</sup> tardy and all subsequent tardies - results in a 1.25 hour lunch detention assignment on the day the tardy occurs regardless if student participates in early dismissal. Cell phone will be held in the office for the day the tardy occurs.

Subsequent tardies shall result in a conference with the parent to find a solution to the tardiness problem. Failure to resolve the problem will be at the discretion of Principal and/or Assistant Principal and may result in an out-of-school suspension or filing charges with Juvenile Court.

## MISCELLANEOUS ATTENDANCE POLICIES

**\*Note: After arriving at school, "Failure to attend" (unexcused) will be entered when students miss more than 10 minutes of Lunch, I/E, or any academic class.**

Assignments received before the vacation are expected to be completed & submitted upon return.

### **4. Homework requests**

Homework requests must be received by 8:00AM the day of the request.

## WITHDRAWAL

A high school education is necessary for every student. Any student experiencing difficulty in graduating from high school should consult school counselors to work through conflicts.

Public law and Celina City Schools Board policy require that any student less than eighteen years of age is not eligible to withdraw without written permission from the Superintendent.

The Superintendent will initiate expulsion proceedings against a student who has committed an act that warrants expulsion even if the student withdraws from school before the Superintendent has held hearings or made the decision to expel the student.

### **STUDENT DRIVING/PARKING PRIVILEGES**

1. Whenever a student is suspended, expelled, removed or permanently excluded for misconduct involving a firearm, knife or other weapon as defined in the adopted board policy, the superintendent shall notify the registrar and the county juvenile judge in writing within two weeks of the disciplinary action. The registrar shall temporarily suspend the student's temporary instruction permit or driver's license or prohibit the student from obtaining one until the student turns 18 or the registrar is notified by the superintendent that the pupil has satisfied any terms or conditions established by the school.
2. Any expulsion, or recommendation for expulsion, will constitute proceedings for loss of driving privileges.
3. Habitual truancy will constitute proceedings for loss of driving privileges.

Applications for parking passes for juniors and seniors will only be taken during student registration in August. (***Fees must be paid to be eligible for a parking pass***). If there are extra parking spaces available after registration, Sophomores (holding a current driver's license) can apply for a parking permit. ***Fines may be assessed for parking on school property without a pass.***

  1. After-school Detention, Lunch Detention, Wednesday School, or In-School Assignment.
  2. Suspension of school-issued driving permit.
  3. Suspension of driving privileges to and from school.
  4. Vehicle towed at owner's expense.
  5. Referral to local law enforcement agency.

### **CELL PHONES/ELECTRONIC DEVICES**

For purposes of this policy, "personal communication device" (PCD) includes computers, tablets (e.g., iPad-like devices), electronic readers ("e-readers"; e.g., Kindle-like devices), cell phones, smartphones (e.g., iPhones, Android devices, Windows Mobile devices, etc.), and/or other web-enabled devices of any type.

PCDs intended and actually used for instructional purposes (e.g., taking notes, recording classroom lectures, writing papers) will be permitted, as approved by the classroom teacher or the Principal. Personal communication devices, i.e. ***cell phones or other means of electronic communication etc. are to remain off and out of sight whenever the student is within the classroom (from bell to bell)***. Smart watches and similar items may also be restricted at certain times at the discretion of the teacher. Under certain circumstances, a student may keep his/her PCD "On" with prior approval from the Principal.

Students may not use PCDs on school property or at a school-sponsored activity to access and/or view Internet web sites that are otherwise blocked to students at school.

Students may use PCDs while riding to and from school on a school bus or other Board-provided vehicles or on a school bus or Board-provided vehicle during school-sponsored activities, at the discretion of the bus driver, classroom teacher, or sponsor/advisor/coach. Distracting behavior that creates an unsafe environment will not be tolerated.)

During after school activities, PCDs shall be powered completely off (not just placed into vibrate or silent mode) and stored out of sight when directed by the administrator or sponsor.

PCDs, including but not limited to those with cameras, may not be activated or utilized at any time in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include, but are not limited to, classrooms, gymnasiums, locker rooms, shower facilities, rest/bathrooms, and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes. The Superintendent and Principal are authorized to determine other specific locations and situations where use of a PCD is absolutely prohibited.

Students are expressly prohibited from using covert means to listen-in or make a recording (audio or video) of any meeting or activity at school. This includes placing recording devices, or other devices with one - or two-way audio communication technology (i.e., technology that allows a person off-site to listen to live conversations and sounds taking place in the location where the device is located), within a student's book bag or on the student's person without express written consent of the Superintendent. Any requests to place a recording device or other device with one- or two-way audio communication technology within a

student's book bag or on a student's person shall be submitted, in writing, to the Principal. The District representative shall notify the parent(s), in writing, whether such request is denied or granted within five (5) days.

Students shall have no expectation of confidentiality with respect to their use of PCDs on school premises/property.

Students may not use a PCD in any way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed or intimidated. In particular, students are prohibited from using PCDs to: 1) transmit material that is threatening, obscene, disruptive, or sexually explicit or that can be construed as harassment or disparagement of others based upon their race, color, national origin, sex (including sexual orientation/transgender identity), disability, age, religion, ancestry, or political beliefs; and 2) engage in "sexting" - i.e., sending, receiving, sharing, viewing, or possessing pictures, text messages, e-mails or other materials of a sexual nature in electronic or any other form. Violation of these prohibitions shall result in disciplinary action. Furthermore, such actions will be reported to local law enforcement and child services as required by law.

Students are also prohibited from using a PCD to capture, record, and/or transmit test information or any other information in a manner constituting fraud, theft, cheating, or academic dishonesty. Likewise, students are prohibited from using PCDs to receive such information. Teachers or administrators may request that phones be placed on the student desk, on the floor, on the teacher's desk, or other designated area at any time during the class period, especially during tests and quizzes to assure that no cheating is taking place. Any contact with a cell phone, smart watch, or any other electronic device with communication capability during a test, quiz, or in-class assignment will be considered cheating and will be addressed by the academic dishonesty policy found in this handbook. Teachers and administrators may also ask that phones be left under the teacher's or administrator's supervision whenever the student leaves the room.

**Possession of a PCD by a student at school during school hours and/or during extra-curricular activities is a privilege that may be forfeited by any student who fails to abide by the terms of this policy, or otherwise abuses this privilege. Failure to comply with a school official's request to relinquish an electronic device will result in immediate disciplinary action for failure to follow instructions (Insubordination).**

Violations of this policy may result in disciplinary action and/or confiscation of the PCD. The Principal will also refer the matter to law enforcement or child services if the violation involves an illegal activity (e.g., child pornography, sexting). Discipline will be imposed on an escalating scale ranging from a warning to an expulsion based on the number of previous violations and/or the nature of or circumstances surrounding a particular violation. If the PCD is confiscated, it will be released/returned to the student's parent/guardian after the student complies with any other disciplinary consequences that are imposed, unless the violation involves potentially illegal activity in which case the PCD may be turned-over to law enforcement. A confiscated device will be marked in a removable manner with the student's name and held in a secure location in the building's central office until it is retrieved by the parent/guardian or turned-over to law enforcement. School officials will not search or otherwise tamper with PCDs in District custody unless they reasonably suspect that the search is required to discover evidence of a violation of the law or other school rules. Any search will be conducted in accordance with Board Policy 5771 – Search and Seizure. If multiple offenses occur, a student may lose his/her privilege to bring a PCD to school for a designated length of time or on a permanent basis.

A person who discovers a student using a PCD, recording device, or other device with one- or two-way audio communication technology in violation of this policy is required to report the violation to the Principal.

Students are personally and solely responsible for the care and security of their PCDs. The Board assumes no responsibility for theft, loss, or damage to, or misuse or unauthorized use of, PCDs brought onto its property.

Parents/Guardians are advised that the best way to get in touch with their child during the school day is by calling the school office at (419) 586-8300 ext. 1501.

Violation of any portion of the above will result in:

- a. First offense:** ED will be confiscated and returned at the end of the school day (provided there are no concerns with the contents of the items).
- b. Second and Third offense:** ED will be confiscated and returned at the end of the school day (provided there are no concerns with the contents of the items) and the student will serve a 1.25 hour Lunch Detention in the Lecture Hall on the day of the infraction or the following day.
- c. Fourth and Fifth offense:** ED will be confiscated and returned only to the parent/guardian after the student serves a 1 or 2 hour(s) of after school detention

on the day of the infraction (provided there are no concerns with the contents of the items).

**d. Additional or repeated offense(s):**

ED will be confiscated and returned only to the parent/guardian with additional disciplinary action at the discretion of the Principal or Assistant Principal which may include the cell phone being held in the office during the school day and/or Out-of-School Suspension.

**LOCKERS**

1. Hall lockers are available for all CHS students. The lockers are the property of the school board and are subject to inspection and search by school officials.
2. Students are expected to maintain lockers in good condition and to report any damages to the office. Marks or vandalism can result in disciplinary action.
3. The lockers are constructed with a built-in combination lock. Please do not place personal padlocks or combination locks on any lockers.
4. The combination will be given to the student when s/he is assigned a locker at registration. To prevent theft, these combinations should not be given to friends.
5. Students requiring provision of a duplicate combination may be fined.
6. Students who set their combinations so that the locker will remain unlocked are subject to appropriate disciplinary action.

**EVACUATION AND SHELTER DRILL**

Fire and tornado drills will be conducted throughout the year. They will be signaled by the sounding of an automatically controlled tone system which is sounded throughout the building. Lockdown drills will be conducted quarterly. Signs posted in the classrooms will advise the student of the proper exits or shelter areas.

The main rules to follow during the drills are: remain quiet, move quickly, but do not run, or push. Return to the room when the proper signal is given from faculty or school administrators.

**SCHOOL DANCES**

School dances are a privilege not a right. The school administration reserves the right to prohibit a student from attending a school dance as a disciplinary measure. No outside guest will be allowed into a dance without a current guest form on file (forms are available in the Main Office). Guest forms must be on file three days prior to the date of the dance. Students must arrive by the designated time or they may not be admitted. Once students leave a school dance, they may not return.

Students will be subject to random breathalyzer tests. Students are expected to use good judgment with attire and are expected to conduct themselves in a decent and acceptable manner while in attendance. Students who behave poorly will be warned once and dismissed from the dance thereafter. Prom is open to students in grades 11 & 12 only including any out-of-town dates.

#### **RANDOM ALCOHOL CHECKS AT SCHOOL FUNCTIONS**

Celina City Schools will institute a random alcohol/liquor screen using a breathalyzer machine at school functions. The purpose of the alcohol/liquor screen is to help insure that all students enter the school-sponsored functions while not under the influence or having consumed alcohol and/or liquor. Any student having an alcoholic substance in, on, or about their person or in their vehicle is in violation of this policy. The policy includes any school-sponsored event including any pre and post-activities. This policy applies to all school-sponsored functions regardless of location.

The particulars of the screens are as follows:

- A. Individuals who have been trained in the use of the instrument or have a background in law enforcement may conduct screens on a random basis.
- B. The individuals conducting the screens, the function sponsors, and the administrators in attendance prior to the function will establish the random selection process. Additional students may be screened based on visual observations.
- C. Students found to be positive may be subject to a police citation as well as a school code of conduct violation. This may also include an athletic or extracurricular violation if the student is involved in athletics or extracurricular activities.
- D. Parents/Guardians of students found to be positive will be called to come to the function location and transport the student home. At that time, they (parents) may have an independent screen completed at the local hospital, if desired, at their own cost. If there is a challenge to the results of the screen at the function, the official hospital report must be submitted to the high school principal no later than two days after the event. The independent screen must have been conducted no later than two hours after leaving the event location.
- E. Law enforcement officers will remove the student from the event site if parents cannot be reached.
- F. Students who refuse to be screened will be denied admittance to the function. Students and/or recent graduates attending the function who are currently not students at Celina City Schools are subject to the screens. If the attendee is currently a student at another school, their school will be notified of the screen

test results if positive.

Any questions concerning this procedure or the application of the process should be directed to the high school Principal.

### **SECURITY VIDEO**

The Celina City School District may use video recording on District property. These videos, which are made for the protection and welfare of the school community, typically contain images of many students, as well as District employees and other persons. Security videos contain personally identifiable information about students. State and federal laws generally prohibit the release of this information, and the District has not designated the videos as “directory information” that may be disclosed without the prior written consent of the students’ parents or guardians. Security videos, and the personally identifiable information contained on the videos, will be disclosed only when authorized by law or when the disclosure is made to school officials with legitimate educational interests.

### **INTERROGATIONS AND SEARCHES**

The District has responsibility for the control and management of the students during the school day and hours of approved extracurricular activities. The District has developed regulations to be followed in the case of searches and interrogations.

The right of inspection of students’ lockers or articles carried upon their persons and the interrogation of an individual student is inherent in the authority granted to the Board. Administrators should exercise procedures to ensure parents that the school, in exercising its "in loco parentis" relationship with their children, will employ safeguards to protect the well-being of those children. Searches may take place when it is reasonably likely to produce anticipated tangible results to enforce school rules, combat theft, preserve discipline and good order or promote the safety and security of persons and their property within the area of educational responsibility.

School personnel must have "reason to believe" that the items actually exist in the area to be searched. They are also permitted to search personal property (purse, knapsack, gym bag, vehicle, etc.) of a student when there is reason to believe that evidence will be obtained indicating the student's violation of either the law or school rules. Metal detection devices (wands) may be used to determine if a student is concealing contraband items on their person.

Student lockers are the property of the school entrusted to students for their

responsible use and are subject to search at any time.

Interrogations of students by law enforcement agencies and other authorities outside the District are extremely disruptive to a student's educational process; additionally, such interrogations may impact student and/or parental rights. A determination whether to allow such interrogation will be made by school administrators on a case-by-case basis.

#### **SUBSTANCE-FREE ENVIRONMENT**

The Board believes that tobacco smoke and all forms of tobacco in the school and work environments are not conducive to good health. As an educational organization, the District should provide both effective educational programs and a positive example to students concerning the use of tobacco.

Recognizing the negative impact on nonsmokers or other smoking, the Board declares all public buildings operated by the Board, and all spaces within them, to be officially designated smoke-free as well as free of the use of all tobacco/vape products. Staff, students, and members of the public are expected to observe this restriction at all times.

The Board will not permit any student or employee to possess, transmit, conceal, consume, show evidence of having consumed, used or offer for sale any alcoholic beverages, illegal drugs, non-prescribed drugs, look-alike drugs or any mind-altering substance while on school grounds or facilities; at school sponsored events; or in other situations under the authority of the District or in school-owned or school-approved vehicles. Included in this prohibition are any substances represented as a controlled substance, non-alcoholic beers, steroids, tobacco and tobacco products/vapes, and drug paraphernalia.

#### **ZERO TOLERANCE OF VIOLENT BEHAVIOR TO INCLUDE VIOLENCE IN A DATING RELATIONSHIP**

The Board of Education has established a policy for absolutely no tolerance of any behavior that is considered violent in nature and that has the potential to cause harm to students or staff members. Offenders who commit an act that inflicts serious physical harm to persons or property—at school, on other school property, or at a school activity, event or program, may be expelled for up to one year.

#### **SEXUAL HARASSMENT**

All persons associated with the school district including, but not limited to the Board of Education; the administration; the staff and students, are expected to

conduct themselves at all times so as to provide an atmosphere free from sexual harassment. Sexual harassment whether verbal or physical, or occurring in or out of a district-owned building, or at school-sponsored social functions or activities is illegal and unacceptable and will not be tolerated. Any person who engages in sexual harassment while acting as a member of the school community will be in violation of Board policy.

The Board has developed complaint procedures, which are available to victims of sexual harassment (INCLUDING STUDENTS). The Board has also identified disciplinary penalties, which could be imposed for the offenders.

Non-exhaustive examples of sexual harassment include, but are not limited to: unwanted sexual advances; demands for sexual favors in exchange for favorable treatment or continued employment; repeated sexual jokes, flirtations, advances or propositions; verbal abuse of a sexual nature; graphic verbal or written commentary relating to an individual's body; sexual prowess or sexually obscene comments or gestures; or displays in the workplace or school environment of sexually suggestive or obscene objects or pictures.

The Board appointed the following Title IX Coordinator who is responsible for sexual harassment complaints in accordance with the grievance procedure: Dr. Kenneth Schmiesing, Superintendent, 585 East Livingston Street, Celina, Ohio 45822, (419) 586-8300 ext. 1002.

Students must understand that this type of inappropriate behavior is serious and will not be tolerated. Offenders could be subject to suspension and/or expulsion and referral to local law enforcement officials.

Students who are victims of this type of behavior should report immediately to a school counselor, the building principal, of the Title IX Coordinator to receive assistance and/or to initiate the grievance process.

## **STUDENT CONDUCT AND DISCIPLINE**

### **DUE PROCESS IN DISCIPLINARY PROCEEDINGS**

#### **A. Due process in Suspension, One (1) to Ten (10) Days**

Students may be suspended out-of-school by the Assistant Principal, Principal, Tri-Star Director, Tri-Star Assistant Director or Superintendent, in accordance with Section 3313.66 of the Ohio Revised Code, from one to ten days which may require the student to participate in a community service program or alternative

consequence for the number of hours equal to the remaining portion of the period of the suspension.

No student is to be suspended without an informal, preliminary hearing unless a clear and present danger exists, or it is otherwise impossible or unreasonably difficult to hold such hearing (e.g., the student intentionally makes himself/herself unavailable). In such instances, the necessary written notice and hearing shall follow as soon as practicable.

The principal or assistant principal shall provide the student with a written notice of the charge(s) against him/her and shall provide a hearing for the student before a suspension is ordered so that the student has a full opportunity to state why s/he should not be suspended. The student's parents may be informed of the charges and the preliminary hearing if the principal/assistant principal so chooses. The hearing shall be held on the day of the alleged infraction or as soon thereafter as possible if an emergency prohibits an immediate hearing.

Within one (1) school day after the suspension, the principal or assistant principal shall notify, in writing, both the parents and the Treasurer. Such notification is to include the reason for the suspension, and the right of the student or the student's parent or guardian to appeal the suspension to the Board or its designee.

#### **B. Due Process in Expulsion**

Expulsion is the removal of a student from the schools of this District for a period not to exceed the greater of eighty (80) school days or the number of school days remaining in the semester or term in which the incident that gave rise to the expulsion takes place. If at the time of the expulsion, there are fewer school days than the number of days of expulsion, the Superintendent has the option to apply the remaining period of expulsion to the following school year.

Unless a student is permanently excluded from school, the Superintendent shall expel a student from school for a period of one (1) year for bringing a firearm or knife capable of causing serious bodily injury to a school building or on to any other property (including a school vehicle) owned, controlled, or operated by the Board, to an interscholastic competition, an extra-curricular event, or to any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except that the Superintendent may reduce this period on a case-by-case basis in accordance with this policy. Similarly, the Superintendent shall expel a student from school for a period of one (1) year for possessing a firearm or knife capable of causing serious bodily injury at school or

on any other property (including a school vehicle) owned, controlled, or operated by the Board, at interscholastic competition, an extra-curricular event, or at any other school program or activity that is not located in a school or on property that is owned or controlled by the Board.

If a student commits an act at school, on other school property, at an interscholastic competition, extra-curricular event, or any other school program or activity and the act would be a criminal offense if committed by an adult; and results in serious physical harm to person(s) or to the property, the Superintendent may expel the student for a period of up to one (1) year.

If a student makes a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat, the Superintendent may expel the student for a period of up to one (1) year.

The Superintendent will provide notice of the reason(s) for the intended expulsion; notification of the opportunity of the student and the student's parent or guardian or representative to appear before the Superintendent or his/her designee to challenge the reason(s) for the intended expulsion or otherwise to explain the student's actions; and the time and place for the hearing.

Within one (1) school day after the student's expulsion, the Superintendent shall notify, in writing, the student's parents and the Treasurer of the reasons for the expulsion, the right of the student or the student's parent or guardian to appeal the expulsion to the Board or its designee.

### **C. Due Process for Privileged Activities**

Participation and attendance may be revoked from school dances, prom, homecoming, field trips, extracurricular activities (sports, band, choir, clubs, theatrical performances, etc.), parking on school property, and graduation ceremonies for any student recommended for expulsion, ten days out of school suspension with a recommendation for expulsion, or expulsion from Celina High School.

**Alternative School:** Students are placed in a highly structured setting, will have no interaction with other students and will be closely monitored by school personnel. Students must arrange a mutually agreeable time with his/her teachers within 3 days of return to take any assessments. Students will not receive a failing grade due to suspension, but may receive failing marks due to incomplete/poor quality work, as graded by their instructor. Students on their first OSS violation may earn up to 75% credit on assignments. Subsequent OSS incidents will result in the maximum of 60% credit on assignments. Students under suspension shall not participate in; a) extracurricular events; b) after-school events; c) athletic practices or contests, or d) return to school premises.

**Expulsion:** Being removed from school and school functions and not allowed to

Crimes or serious offenses for which permanent exclusion may be sought include: weapon-related; drug-related; serious injury or death-related; sexually-related; and complicity in any of these unlawful acts.

### **STUDENT CODE OF CONDUCT**

This Code of Conduct is in effect while the students are under the authority of school personnel or involved in any school activity. This includes but is not limited to school buses and property under the control of school authorities, and while at interscholastic competitions, extracurricular events, or other school activities or programs.

In addition, this Code of Conduct includes:

1. Misconduct by a student that occurs off school district property but is connected to activities or incidents that have occurred on school district property; and
2. Misconduct by a student that, regardless of where it occurs, is directed at a district official or employee or the property of an official or employee.

The Tri Star Career Compact is an extension of our school program; therefore, students who elect to attend Tri Star are subject to disciplinary action based upon the Student Code of Conduct of either Celina High School and/or Tri Star Career Compact. Consequently, conduct and/or involvement in any activity that may or does result in disciplinary action by one school may be grounds for similar disciplinary action by the other school.

Infractions of the following rules may subject a student to a written or verbal reprimand, referral to School counselor, parental contact or conference, detention, Lunch Detention, Wednesday School, In-School Assignment, emergency removal,

referral to law enforcement agencies, Out-of-School Suspension, or expulsion as deemed appropriate by the Principal or Assistant Principal. Students who violate the district approved Acceptable Use Policy (computers & internet) are also subject to the aforementioned as well as termination of computer privileges. These rules will be enforced on all school property, in school vehicles and at any extracurricular activity. However, the student must understand clearly:

1. When his/her behavior is deemed inappropriate, disrespectful, disruptive and/or unsafe to self or others, and if this behavior is not addressed in this handbook, that behavior can be deemed as insubordinate and appropriate discipline assigned by the Principal or Assistant Principal.
2. When a student's disciplinary history becomes "expanded or persistent", throughout the course of a school year, that student is subject to Out-of-School Suspension and/or expulsion for the current semester of attendance.
3. This code of student conduct applies while school is in session, at school activities and while traveling to or from school. In addition, a student may be subject to school disciplinary action under this code for harassment, vandalism, physical abuse, disrespect to staff members or other disruptive behavior toward school personnel during non-school hours. Such action is deemed appropriate by the Board of Education because disrespectful acts could negatively affect student behavior at school and thereby be detrimental to the learning environment.
4. Violation by a student of any one or more of the following rules of conduct may result in disciplinary action, including suspension, removal, expulsion, filing a complaint with Mercer County Juvenile Court and/or contacting local law enforcement. Parents will be notified when any such action is used.
5. Students may be disciplined for any misconduct which occurs off school property to the extent that (1) the misconduct is connected to activities or incidents which have occurred on property owned or controlled by the Board of Education, or (2) the misconduct, regardless of where it occurs, is directed at a District official or employee, or the property of such official or employee, or (3) the misconduct, regardless of location, the effects of which disrupt the educational environment.

In general, school dress should be such that it ensures the health, welfare and safety of the members of the student body and enhances a positive image of our students and school. Any form of dress or grooming that attracts undue attention or violates the previous statement is obviously unacceptable.

1. Dress and grooming will be clean and keeping with health, sanitary, and safety requirements and will not be such as to disrupt the teaching-learning process.

2. **Pants, Dresses/Skirts, Shorts:** Pants should be pulled up to the waist. Appropriate dresses/skirts and shorts may be worn if they are fingertip length (mid-thigh) when standing up with arms at one's sides. ## **STUDENT BUS REGULATIONS**

Although the Celina City School District furnishes transportation in accordance with state law, it does not relieve parents of students from the responsibility of supervision until such time as the student boards the bus in the morning and after the student leaves the bus at the end of the school day.

Once a student boards a bus, s/he becomes the responsibility of the District. Such responsibility will end when the student is delivered to the regular bus stop at the close of the school day.

Students on a bus are under the authority of and directly responsible to the bus driver. The driver has the authority to enforce the established regulations for bus conduct. Disorderly conduct or refusal to submit to the authority of the driver will be sufficient reason for refusing transportation service to any student.

Regulations regarding conduct on school buses, as well as general information about the school transportation program, will be approved by the Board and made available to all parents and students.

Video security cameras are installed in the district's school buses. Appropriate disciplinary action will be taken if a student is videotaped and determined to be in violation of any of the bus safety rules.

**Student Bus Conduct Reporting Procedures:Steps Of Discipline By Principal or designee (for bus-related infractions):**

1. Documented Violations #1: Driver conferences with the student. Driver re-assigns the student's seat. Driver/Transportation Supervisor, Greg Amspaugh contacts the parent/guardian. Driver completes written report.
2. Documented Violations #2 through #5: Driver completes written report, confers with Transportation Supervisor, and shares report with Principal/Assistant Principal. Discipline issued by Principal/Assistant Principal may range from a warning, detention (during or after school), or other consequences up to and including suspension from the bus for 10 days. Recommendation for additional bus suspension/expulsion shall be submitted to the Superintendent.

\*At all times, the Principal or Assistant Principal have the authority to remove a student immediately and/or permanently if a student engages in extremely dangerous or illegal conduct.
