To whom it may concern,

I wanted to thank you for the opportunity to be part of the Celina City School system. I have learned a lot of valuable assets throughout my experience and time spent working with the Celina High School staff and administration that I will use in my future endeavors.

After discussion with administrative pupils, I have decided I will be resigning from my position as Intervention Specialist at Celina High School, effective August 15, 2016.

Again, I would like to thank everyone involved in making my time at Celina City Schools a positive experience. If there is anything I can do to help with this transition, feel free to contact me at the email listed above.

Respectfully Yours,

Drew Cloud
