Ken,

After speaking with multiple parties including the STRS, we decided to go ahead and change my retirement date to July 1, 2021. We understand this creates a void in medical coverage but the plan will be to apply for cobra benefits.

Let me know who I need to communicate with at the school system about this retirement date change to July 1, 2021.

We are currently on vacation but carrying our cell phones. Joan's number is 419-305-2589.

Sincerely,

Ty and Joan Koontz  
 k

Thank you Joan,

This is what we needed. We will ask the Board to accept this at the July Board meeting.

Thanks,

It is with bitter sweetness that I send this email to you informing you of my retirement effective August 1,2021. I feel there is no other job more fulfilling than where you have the opportunity to love and teach children every day. Likewise, throughout the years so many wonderful colleagues have passed through my life, some still with us and some in a better place. Their friendships will remain with me forever. Thank you with a sincereness from my heart and soul for the opportunity to teach in the Celina City School District.

Joanie
