RECEIVED JUL 13 2015

Dear Celina Board of Education, Marcy Wellman, and Tracey Dammeyer,

Please accept this letter as formal notification that I am resigning from my position as speech language pathologist with Celina City Schools on July 31st, 2015. I have decided to resign from my position because I accepted a SLP position with Midwest Regional Educational Service Center and am being placed at Fort Loramie Schools. The proximity of this location to my home and caseload variety of being K-12 served as my primary reasons for relocating.

I feel that I have been given an excellent opportunity working for Celina City Schools and I am very grateful for the experience and professional development.

Sincerely,

A handwritten signature in cursive script that reads "Heidi Luebke".
