RECEIVED APR 24 2015

Mr. Jesse Steiner and the Celina City Schools Board of Education,

Please accept my resignation as the Sports Physiology and Anatomy teacher at Celina High School, effective May 29th, 2015. I have learned so much from the staff, students, and community at Celina High School over the past two years, but have decided to continue my teaching career at a school closer to my home. Words cannot express my gratitude toward Celina City School for giving me my first big opportunity to become an educator. I have found the career that I love, and it is thanks to this school, which will forever have a special place in my heart.

Thank you so much for your time and support and Go Dogs!
