Dear School Board Members,

Please accept my letter of resignation. I am writing to formally notify you that I am retiring from my position as a 6<sup>th</sup> grade science teacher. I plan to complete the current school year before officially retiring on May 25<sup>th</sup> the final day of this school year.

I sincerely appreciate the opportunities that you have afforded me to make a positive difference in the lives of the students I have had the privilege to teach. I feel I have learned as much from them as they have learned from me. I will definitely miss the interactions not only with the students, but also with all of my hard working colleagues. I cherish the many wonderful memories and accomplishments from my 23 years of teaching. This has been a rewarding career choice, and I am thankful for all of the freedom and support you have given me to make a difference. I truly enjoyed being a part of CIS from the beginning.

Thank you for the wonderful experience of teaching in Celina.

Best regards with continuing to make a difference in our children,
