Mr. Schmiesing,

I was approved last year by the superintendent and principal to go on the Washington DC 8th grade trip with my daughter, Libby at Coldwater Middle School. The date of the trip is Oct 25-30 (arriving home on the 30th at 7:00 am). I have already used 1 personal day this school year. Please approve 2 more personal days for the DC trip. What are my options for the other days? Are you willing to grant me any "restricted" personal days, sick days, or deduct days?

Please advise.

Thank you for your timely response on this matter.
