Dear Dr. Ken Schmiesing and Board of Education:

Due to a change in circumstances, things are now in place where I am able to join my husband in Mississippi.

Please accept this letter as my formal resignation from my position as an Intervention Specialist at Celina High School, the 7-12 District Leadership Team representative, and Building Coordinator. This will be effective October 16th, 2020. I have some flexibility as to when I will be moving to Mississippi and would appreciate the opportunity to help with the transition of my caseload to my replacement.

I appreciate the many opportunities Celina High School has given me over the past six years. This position has been one of the best work experiences in my life due to the culture and community at Celina City Schools. I will greatly miss my friends, administrators, and staff at Celina High School.

Please let me know how I can be of assistance during the transition period.

Respectfully,

Allie Slavik
