DR KEN SCHMIESING, Superintendent

ANN ESSELSTEIN, Principal

April 4, 2018

Dear Dr. Schmiesing,

Please accept this letter as a notice of my retirement from the Celina City School District effective on the last teacher day of the 2017-2018 school year.

I have enjoyed my career as a teacher the last 35 years at the Celina Middle School. I want to thank the school district for giving me the opportunity to teach at such a wonderful place. I have felt blessed to work in a school district that strives in offering a solid well-rounded curriculum to the students. It is truly a school district where all students can be successful with hard work and effort. The educators at the Celina Middle school do their best to motivate each student to do their best.

I will miss working with the outstanding faculty and staff at the Celina Middle School.

Respectfully,

Tom Brunswick
