

Dr. Ken, Board of Education, and Michelle Duncan,
Every year on Holy Thursday we hold a bake sale/raffle at Joint Township District Memorial Hospital to honor my sister and raise money for a scholarship in her name. She passed away in her sleep and was an ICU nurse at Joint Township Hospital. My entire family participates in this event. We have been granted the go ahead to hold this event (we were not sure it would happen with COVID). Would you grant me a deduct day on April 1st? It is the day before the Easter holiday. Thank you, Michele Miller, Kindergarten Teacher
