CELINA CITY SCHOOLS

February 3, 2017

To Whom It May Concern,

I am writing this letter to inform the Superintendent of Celina City Schools and the Celina Board of Education that I will be retiring at the end of the school year, 2016-2017.

During my career in Celina, I have felt it has been an honor to teach in such a wonderful school district. Many friends have been made throughout the years and I will treasure those friendships forever! Also, the hundreds of students that I have had the privilege to instruct have touched my life beyond measure, and those children have impacted my life as I hope that I have theirs.

After thirty-two years in education, I can honestly say that my career choice was the perfect one for me and I would do it all again. I will always be proud to say that I was teacher and will forever be one!

Thank you for letting me share my love of this profession in Celina City Schools.

Sincerely yours,

Lori Davis
