

Dr. Ken,

I am requesting May 17th as a deduct day. My daughter has asked that I participate in the Get Real 5K at Coldwater Middle School. . Knowing this takes place in the last two weeks of the school year and we are not allowed to take a personal day, I am requesting the 17th as a deduct day as according to the contract. My family and I appreciate you and the board's consideration for this request.

Thank you for your consideration,

Pete Lisi
