CELINA CITY SCHOOLS

Dear Principal Kramer,

Please accept this letter as a formal notice of my resignation as the integrated science teacher at Celina High School, effective at the end of the 2021-2022 school year.

After much consideration, I have decided that high school education is not the best fit for me. I have appreciated my time at CHS and have learned much about myself as an educator.

Under your leadership, I have no doubt that Celina High School will continue to thrive. Thank you for the advice, mentorship, and encouragement this past year. It has been a privilege to work with you.

Sincerely,

A handwritten signature in cursive script that reads "Olivia Stahl".
