Celina City School Board
585 E. Livingston St.
Celina, OH 45822

I am currently serving on IAT at Celina Elementary School. I would like to resign from this position for the 2019-2020 school year. I have been a member of this team for many years, but think it is time for others to have an opportunity to serve. I have enjoyed being a part of this hard working team and working closely with many dedicated teachers. Thank you for this opportunity to serve Celina City Schools.
