April 4, 2022

Dr. Schmiesing,

I am writing to inform you of my intent to resign from my position as a math teacher at Celina High School. My final day will coincide with the last day of the 2021-2022 contractual year.

Though I have liked my time teaching, I am ready to make a change professionally. It has been a wonderful privilege to work with such a great group of teachers, administrators, and students over the past eleven years. Working with the students and the staff is the reason that I did not make this choice a few years ago. I have learned so much during my time here and will continue to use my gained skills throughout the rest of my working career. I am so thankful and appreciative for all of the opportunities given to me at Celina City Schools.

Please let me know if and how I can assist in the transition of my duties to others. If there are any questions or concerns that you would like to ask me about my resignation, I would be willing to meet to discuss those questions or concerns.

Sincerely,

Tyler A. Foulkes
