Hi Marcy-

I'm formally requesting a deduct day for May 24, 2019. My daughter, Paige, qualified for Nationals in the shot put during this track and field season. Its in Gulf Shores, Alabama. I'd like to travel down there to see her compete since its such an accomplishment. This was originally a day off of school--so I don't foresee this being a conflict in the future unless we have all that weather again. She throws at 1pm on that date.

Please let me know if you need anything else.

Thank you,
Amy Sutter
