Dear Dr. Ken Schmiesing,

It is with a heavy heart that I would like to resign from my position as Student Council Advisor for the 2021-2022 school year. I apologize for any inconvenience this might cause, but I feel it is in the best interest of the council to have new advisors. I feel that I am not dedicating the time that I need to for the group to be the best it can be, and I feel this year will be harder with one child in the High School and one child in the Middle School. I have been honored and blessed for the past 5 years to be given the opportunity to help guide and lead these students. Trust me when I say that Student Council has changed me as a person, and I will be forever grateful for the time spent with the students and the tremendous amount of support from staff and administration. Please accept this letter as my resignation from this position and if you have any questions, please do not hesitate to ask.

Sincerely,

Kristen Kerns
