RECEIVED JAN 15 2016

Dr. Schmiesing,

In November, my two children will be going with the Celina HS Band to perform at Walt Disney World. It also happens to be close to my 20th wedding anniversary. My husband & I would like to travel to Florida to watch my kids & the CHS band at Disney. The dates are November 18-23, which is right before Thanksgiving break. I am requesting a deduct day for November 23, 2016. Thank you very much for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Carrie C. Gladhill".
