Superintendent  
Celina City Schools  
585 E. Livingston Street  
Celina, Ohio 45822

Dr. Schmiesing:

I am writing to inform you in regard to my decision to officially resign from the position as art teacher at Celina Intermediate School, however it was designated I would be moved to the sixth-grade title (reading) position for the 2022-23 school year, therefore I will be resigning with *that* title. Please consider this a formal notice, as this resignation will be effective at the end of the 2021-2022 contracted school year.

Although I enjoyed working with Celina City Schools and Celina Intermediate School, I have been offered a great opportunity elsewhere to stay in and continue teaching in my certified and licensed field of fine arts, which I was moved from for the upcoming school year. At this point in my career, I cannot fathom passing on this opportunity as I never desired to leave teaching fine arts after thirteen years for a position to teach title reading for which I have no experience. I have enjoyed the eight years that I have spent teaching art at for Celina Intermediate School and will miss my students immensely. Had I been granted the opportunity to continue teaching art after thirteen years, to which I am certified and licensed to teach, I would've loved nothing more than to stay in Celina and continue to grow young Bulldog artists.

Thank you very much for the opportunities for professional development and personal growth you have provided me throughout my time at Celina Intermediate School. I will greatly miss many of the staff and students I have met and wish the entire district every success with their future endeavors.

Truly yours,
