Executive Director attended several meeting throughout the month of March. Mercer County Head Start received a significant amount of training and technical assistance. The Education Specialist visited the program twice this month focusing on School Readiness planning and CLASS training. Our grantee Specialist spent two days with the Executive director conducting a new director assessment and providing guidance for a continuous improvement plan. Executive Director and Family Engagement Services Manager participated in a risk management phone call with Michael Butler, Regional office. The program recruitment plan was provided and approved. The program will participate in quarterly phone calls to the regional office providing updates on enrollment. The Executive Director supported the Health & Community Services Manager host the Health Services Advisory Committee on March 30th. In addition the Executive Director supported the ECE Task Force with *No Wrong Door* implementation.

From March 21st thru March 23rd, the program participated in the *comprehensive Services* and School Readiness federal review. Two federal reviewers conducted the review examining 60 child files, observing all Head Start classrooms, and interviewing all key staff. Early communication with the review team indicated a good review with no concerns presented to Executive Director.

Executive Director received notice of an upcoming Health & Safety federal review to occur on April 26th. The management team participated in a planning phone call with Joe Segura, DANYA corp.

Conscious Discipline training continues for management, education, and social service staff. Conscious Discipline is an evidence-based social emotional approach to behavior management.
