

07/10/2021

Dear Superintendent Dr. Ken Schmiesing and the Board of Education:

As this is definitely coming with mixed emotions, I have decided to resign from the Celina City School District for the 2021-2022 school year to accept an administrative position at the Mohawk Local Schools. All of you along with the administrators, staff, students, parents and the entire community of Celina have graciously welcomed a hometown girl from eastern Ohio with open arms not only to the Celina City School District but also to the community as well.

Keeping in mind our families come first in our lives, the Mohawk Local School District is much closer to our home as it also avoids the daily busy interstate 75 traffic. I truly appreciate you for providing me the wonderful opportunity this past school year to work for an awesome school district as an administrator in this rewarding career of education.

As we are still concluding filling position at CIS with interviews again next week, I will continue to work on this with our team to ensure positions at CIS successfully filled with the best individuals for the upcoming school year. In addition, will also assist in making sure the transition of building administration runs as smoothly and professionally as possible so that the 2021-2022 school year at CIS is off to great successful start.

Again as I mentioned before, this coming with mixed emotions as even in one school year, I felt we were moving forward at CIS and was looking forward to a normal "non COVID" outstanding school year.

Wishing Celina City School District the best, always...

Sincerely,

*Jennifer R. Birney*
