Superintendent
Celina City School District
585 East Livingston Street

Dear Dr. Schmiesing:

It is with a heavy heart I am writing to notify you that I do not wish to renew my contract with the Celina City School District.

I am grateful for having had the opportunity to serve this community and positively impact the lives of many truly amazing students. I offer my best wishes for the future success of Tri Star Career Compact and the students and families of Mercer and Auglaize counties.

Sincerely,
