

Dr. Schmiesing and Celina Board of Education,

I am writing to request a deduct day for October 30, 2020. My daughter is an eighth grader a Marion Local, and she will be traveling to Washington DC with her school the week of October 26th. I would like to chaperone this trip for her. I should have 4 personal days available to use, so I would need to take one deduct day. I appreciate your consideration.

Thank you,

Jayme Goettemoeller
