Dear Dr. Schmiesing and the Celina Board of Education,

Please accept this letter as my formal resignation as a Celina High School Intervention Specialist, Special Education Building Coordinator, and member of the District Leadership Team. Although I have thoroughly enjoyed these positions, I am eager to assist Celina High School in a different realm as an assistant principal. I look forward to making more of an impact upon the youth of Celina as well as our community beginning August 1, 2019.

The last seventeen years as an educator have prepared me for this next step along with the support and guidance all of you have given. I look forward to continuing to work with you as an administrator.

Respectfully and Forever a Bulldog,
