

To Jeff Fortkamp, Brennan Bader, and all other parties to whom it may concern.

I, Cole Stephens, will be resigning from my position as Celina Middle School assistant football coach. The reason for my resignation was not because of any issues I had with anyone or anything in the program. I recently had a kid and I also got a job that will not accommodate the schedule. I appreciate the opportunity to be a part of the program.

Thank you,
Cole Stephens
