Dear Celina Board of Education,

I am writing this letter in regards to coaching Cheerleading for the 18-19 school year. I am formally requesting a resignation from Assistant Varsity Cheer Coach for the winter season of the 18-19 school year. I, however, would like to take over the Head Cheer Coach position for the rest of the 18-19 cheer season in the winter due to the resignation of the current Head Cheer Coach. I am excited to move up and continue working with these wonderful athletes!

Thank you,
