

STUDENT NETWORK AND INTERNET AGREEMENT

To access e-mail and/or the Internet at school, students under the age of eighteen (18) must obtain parental permission and must sign and return this form. Students eighteen (18) and over may sign their own forms.

Use of the Internet is a privilege, not a right. The Board of Education’s Internet connection is provided for educational purposes only. Unauthorized and inappropriate use will result in a cancellation of this privilege.

The Board has implemented the use of a Technology Protection Measure which is a specific technology that will protect against (e.g., block/filter) Internet access to visual displays that are obscene, contain child pornography or are harmful to minors. The Board also monitors online activity of students in an effort to restrict access to child pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors. Nevertheless, parents/guardians are advised that determined users may be able to gain access to information, communication and/or services on the Internet which the Board has not authorized for educational purposes and/or which they and/or their parents/guardians may find inappropriate, offensive, objectionable or controversial. Parents/Guardians assume this risk by consenting to allow their students to participate in the use of the Internet. Students accessing the Internet through the school's computers assume personal responsibility and liability, both civil and criminal, for unauthorized or inappropriate use of the Internet. The Board has the right to monitor, review and inspect any directories, files and/or messages residing on or sent using the Board's computers/networks. Messages relating to or in support of illegal activities will be reported to the appropriate authorities.

I have read and agree to abide by the Student Network and Internet Acceptable Use Policy, along with the Celina School Board Bylaws and Policies (available at www.neola.com/celina-oh, section 7540.03), and have discussed them with my child. I understand that student access to the Internet is designed for educational purposes and that the Board has taken available precautions to restrict and/or control student access to material on the Internet that is obscene, objectionable, inappropriate and/or harmful to minors. However, I recognize that it is impossible for the Board to restrict access to all objectionable and/or controversial materials that may be found on the Internet. I will not hold the Board (or any of its employees, administrators or officers) responsible for materials my child may acquire or come in contact with while on the Internet. Additionally, I accept responsibility for communicating to my child guidance concerning his/her acceptable use of the Internet - i.e., setting and conveying standards for my daughter/son to follow when selecting, sharing and exploring information and resources on the Internet. I further understand that individuals and families may be liable for violations.

ALMA MATER AND FIGHT SONG

Alma Mater

We sing to the school of the green and the white,
The school with the spirit true;
We'll ever keep thy honor bright,
And pure as crystal dew.

Chorus: So raise your joyful voices high,
And Alma Mater sing;
Thy name we'll ever glorify;
As fruits from thy labor we bring.

Fight Song

On Celina, on Celina, play your best today.
Hit 'em high and hit 'em low,
Oh, make that scoreboard sway. Rah! Rah! Rah!
On Celina, on Celina, fight on for your fame,
Fight fellows fight and we will win the game.

STUDENT SERVICES

STUDENT WELL-BEING

Student safety is the responsibility of both students and staff. Staff members are familiar with emergency procedures such as evacuation procedures, fire and tornado drills, safety drills in the event of a terrorist or other violent attack, and accident-reporting procedures. If a student is aware of any dangerous situation or accident, s/he must notify a staff person immediately.

State law requires that all students have an emergency medical authorization form completed and signed by a parent or guardian on file in the School office.

Students and staff are expected to immediately report to a teacher or administrator any suspicious behavior or situation that makes them uncomfortable.

INJURY AND ILLNESS

All injuries must be reported to a teacher or the office. If the injury/injuries is/are minor, the student will be treated and may return to class. If medical attention is required, the office will follow the School's emergency procedures and attempt to make contact with the student's parent/guardian.

A student who becomes ill during the school day should request permission to go to the office. An appropriate adult in the office will determine whether the student should remain in school or go home. No student will be released from school without proper parental permission.

HEALTH SERVICES

1. The school nurse is in the building or on call during the school hours.
2. To leave school due to illness, a student must obtain permission from the school nurse or office staff.
3. A student must obtain the permission of the teacher in charge of the class to leave the classroom to report to the clinic.
4. Any student, who is on medication, whether taken during school hours or not, should make the school nurse and administration aware of this immediately and complete the required forms.
5. Medications; prescriptions or over-the-counter, are not permitted to be carried by the student, or kept in one's locker, with the exception of asthma inhalers and emergency medications, **once the appropriate forms are completed and turned in.**
6. The procedure for administration of medications to students is as follows:
 - a. Prior to the administration of prescription medications, the appropriate form must be completed and signed by a physician and the student's parent/guardian.

- b. All medications must be in their original container when received by school personnel.
- c. Medications are not to be transferred from one container to another by school personnel.
- d. Medications are to be kept in a locked area in the clinic at all times.
- e. Identification of the student and the medication shall be made before, during, and immediately after the administration of the medication.
- f. Medications are to be given only by persons authorized by the building principal.
- g. Medications are to be recorded on the "Medication Administration Record" at the time given. Personnel giving the medication shall initial the square for the appropriate date. Any employee whose initials appear on the form must initial and sign the form in the appropriate space at the bottom of the form.
- h. When any error in administration of medication is discovered, the building nurse must be notified immediately.

GUIDANCE

All CHS students are assigned a guidance counselor:

Students with last names A-K	Mrs. Gabes
Students with last names L-Z	Mrs. Niekamp
Guidance Secretary	Mrs. Snider

Counselors are available to meet with students to discuss issues relating to classes, college and career planning, personal issues, and any other concerns as needed. Students may request to meet with a counselor by filling out a "Counselor Visitation Request" form in the guidance office. Appointments will be scheduled during the I/E Period primarily.

FINANCIAL AID/SCHOLARSHIPS/GRANTS

Planning for college expenses must start early. Students planning on higher education need to consider alternatives for finding and getting the money to pay for such things as tuition, room & board, books, transportation, and miscellaneous expenses.

Starting Point:

Start by consulting with your parents and guidance counselor. Share with them your thoughts and plans. Be prepared to discuss your college/technical school choices. Do your homework by collecting information about each choice (cost, location, telephone, application, financial aid assistance, and admittance requirements). Select your top 3 school choices. Remember, there is often an application-processing fee to apply to each school. Keeping your list to a few choices will keep processing fees to a minimum.

When to start:

The earlier you apply the better. Most grant money available from individual schools is spent early. The earlier you apply, the better your chances for receiving "FREE" money. Remember, grants do not have to be paid back.

Financial-aid mania hits its peak season in January, February, and March. Many colleges recommend completing the federal student-aid application by March 1 for students interested in a FALL enrollment.

WEB SITES:

- www.finaid.org - The financial aid information page sponsored by the National Association of Student Financial Aid Administrators
- www.ed.gov - The home page for the US Department of Education
- www.collegeboard.org - Home page for college board, includes a scholarship search

- **www.mapping-your-future.org** - A site with resources on college and career planning, formed by a consortium of the country's largest student loan guarantors.
- **www.ed.gov/money.html** - The Education Department's site that allows students to download the software that will allow them to fill out and file the "Free Application for Federal Student Aid" (FAFSA). This is the first step necessary to determine the need of a family applying for financial aid. Using this method may reduce processing time by as much as four weeks. Call 1-800-801-0576 to request this free, IBM only, compatible software.

CAFETERIA

The lunch period is closed to the student body which means students may not leave nor have commercially prepared food delivered to them. Students who violate the closed lunch policy are subject to reasonable disciplinary action at the discretion of the disciplinary official. This disciplinary action can include detention, In-School Suspension, Wednesday School, and/or Out of School Suspension for repeat offenders.

The cafeteria environment and services have been upgraded and improved to include a variety of popular items from area businesses as well as the usual school lunch. Costs vary depending upon each student's selections. A computerized debit system will be used which will allow advance payment for meals and a la carte items as well as paying cash on a daily basis. All students will be required to enter their PIN number regardless of meal status or payment method, thus ensuring your child's privacy. There will be **no charging** for high school lunches.

Go to: www.celinaschools.org/Cafeteria.aspx under "Links" to add money or check the balance on your student's lunch account.

- A. The athletic program of the Celina City Schools, in its entirety, intends to offer the students of the Celina City Schools the opportunity to develop their individual skills, abilities, and knowledge to the fullest possible extent in the various areas of athletic competition. It is intended to instill and encourage self-discipline, cooperation, and a positive competitive attitude within and among team members. It is intended to function with the interest and support of both participant and observer and of both the student body and the community in general.
- B. The opportunities provided by the athletic program will be available to students without regard to race, creed, color, sex, national origin, and socio-economic station in life.
- C. Federal and State regulations related to the availability of athletic opportunities will be adhered to in accordance with policies of the Celina Board of Education.

STUDENT ATHLETIC CONDUCT CODE

Part I: Rights and Responsibilities

Students attend Celina City Schools under the direction of state law and with the full benefits of constitutional protection for their rights as citizens. They, therefore, can speak, act, or behave as young citizens within a large scope of options. This code is published in conformity with right to reasonable treatment from the coaches and advisors. The school in turn has a right to expect reasonable behavior from student athletes, managers, cheerleaders, statisticians, and trainers. The term athlete will cover the above five titles.

Part II: Rules

- Rule 1.** All athletes must meet the eligibility requirements as determined by the Ohio High School Athletic Association.
- Rule 2.** An athlete will not behave in such unsportsmanlike manner that could cause physical injury or damage to other athletes, other students, school personnel, or school property.
- Rule 3.** An athlete will not possess, handle, transmit, conceal, or use drugs, narcotics, tobacco, or alcoholic beverages. See Part IV Consequences

- Rule 4.** The athlete shall comply with directions of the coaches, advisor, athletic director, or principal during the sports season.
- Rule 5.** All athletes shall ride the bus to and from athletic events unless otherwise specified procedures have been set up by the coach/advisor, athletic director, or principal.
- Rule 6.** All athletes must have the following forms in the office prior to beginning practice: 1) Physical Evaluation Form signed by the doctor, parents, and student; 2) Emergency Medical Form; 3) signed Parents' Consent Form; 4) signed Insurance Waiver form; 5) signed Warning of Potential Injury form. Until these forms are submitted, individuals cannot participate.
- Rule 7.** The athlete shall not participate in any acts that violate the student conduct code as set forth by the Celina City School Board of Education.

- Rule 10.** School Attendance: A student must attend at least one-half of a school day to be eligible unless he/she is excused by the principal. Prior administrative approval must be received to arrive late the day following any extracurricular activity.
- Rule 11:** Student athletes' GPAs will be monitored twice a month. When an athlete is in season and his/her GPA falls below a 2.0, the athlete will be required to attend academic study tables.

All head coaches have the right to make rules and regulations beyond these stated rules with the exception of Rule #3. Infractions of this rule are specified in Part IV of the Student Athletic Conduct Code. Student-athletes who violate the Athletic Conduct Code or the rules and regulations established by the coach will be denied the privilege of participation. All participants and their parents are to be made aware of the rules/regulations and consequences of any infractions of these rules and regulations prior to participation.

Any student may be suspended from an athletic team practice and competition for a period of time, designated by the principal, for infraction of school rules and regulations or for any other unacceptable conduct in or out of school.

Part III. Length of Season

Athletic rules are enforced in accordance with OHSAA season designations. Individual coaches are reserved the right to place additional stipulations and requirements of student behavior at their discretion. Violations in the second half of a season are to be served in the next season of participation. Penalties

prescribed as a percentage of the season will be based on the total number of contests for a typical regular season.

These rules are minimums for participation in athletics at Celina City Schools. Individual coaches, the Celina Athletic Department, or the Celina City Schools have the right to institute additional requirements / guidelines / rules / or penalties for athletic participants.

A violation of federal, state or local law/ordinance, including felony or misdemeanor acts other than minor traffic offenses may result in a penalty as provided in the penalties section. Conviction of said act is not necessary to establish a violation of the Athletic Training Rule Policy, but will be determined through an independent school investigation.

Participation in athletic programs is NOT a right, but a privilege that may be regulated. Therefore, all student athletes who participate in any athletic program(s) offered by Celina City School's Athletic Department will meet these regulations.

Student athletes shall adhere to the approved dress code and physical appearance policies of the school and those additional written codes imposed by his/her particular sport. This dress code is to be such as to prohibit students from displaying obscenities, vulgarity or promotion of drug and alcohol usage, or bring embarrassment to coach, team, or school.

This program is in effect for grades 7-12 and all violations will be held cumulatively through graduation or upon departure from Celina City Schools.

Part IV. Consequences

First Offense:

A student athlete found to be in violation of Rule 3 will result in denial of participation for no less than 20% of the scheduled contests and the student athlete must complete the season. Also he/she will be required to complete a period of not less than 4 hours of substance abuse programming from Foundations or similar agency for evaluation and counseling. Parental attendance will be required as per the request of Foundations personnel. Any fees assessed by the agency for this service will be the responsibility of the athlete.

FAILURE TO COMPLY WITH THE ABOVE CONSEQUENCE WILL RESULT IN AN AUTOMATIC DENIAL OF PARTICIPATION FOR THE REMAINDER OF THE SEASON OR THE NEXT SEASON OF PARTICIPATION.

Second Offense:

A second offense will result in denial of participation for no less than 50% of the scheduled contests and the student athlete must complete the season. Also he/she

will be required to be assigned to the Gateway Outreach Center or similar agency for evaluation and counseling. Any fees assessed by the agency for this service will be the responsibility of the athlete.

FAILURE TO COMPLY WITH THE ABOVE CONSEQUENCE WILL RESULT IN AN AUTOMATIC DENIAL OF PARTICIPATION FROM ALL ATHLETIC PROGRAMS FOR A PERIOD OF NOT LESS THAN ONE (1) YEAR.

Third Offense:

A third offense will result in denial of participation in all athletic programs for a period of one (1) year, from the date of denial. Also he/she will be required to be assigned to Foundations or similar agency for evaluation and counseling. A fourth offense will result in denial of participation from all athletic programs for the remainder of his/her high school career.

*****Special Note*****

When a violation occurs, consequences of the violation must be completed prior to further participation in any program. Quitting a team, to avoid conduct code consequences, does not constitute fulfillment of the conduct code requirements. Consequences of the violation then must be served during the next season of participation.

Part V. Due Process Procedure

2. The coach will meet with the student athlete being disciplined and present him/her with the charges. The student athlete will have an opportunity to explain his/her position.

POLICIES AND PROCEDURES

ATTENDANCE POLICY

Ohio Revised Code Sec. 3321.01, states that a person between the ages of 6 and 18 is of “compulsory school age,” which means they are required to attend school. Ohio’s Missing Child Law requires schools to make every effort to contact parents of absent students. Parents or guardians of a student that will be absent from school shall contact the attendance office, (419-586-8300 ext. 1505), **prior to the start of the school day** each day the student is going to be absent; failure to do so will result in the absence being considered unexcused. Unexcused absences are grounds for disciplinary action against students and legal action against students and parents. Celina High School only recognizes **three** types of school absences.

1) Medical Excuse – If a student must miss school for medical or health-related reasons, attendance penalties are waived when proper documentation is provided appropriately. A doctor’s note with specific times and dates of medical care or excuse must be submitted within **5 school days** to the attendance office—the absence is **unexcused** until this note is received.

2) Parent or Self Call - The parents or guardians of a student will telephone the school office or the district’s automated message service **prior to the start** of the school day to notify attendance personnel that their child will be absent. Only the following reasons are acceptable for the absence to be considered excused:

- illness (student or someone in the family)
- death of a relative
- observance of religious holidays
- an emergency or set of circumstances which, in the judgment of the Superintendent of schools or designee, constitutes a good and sufficient cause for absence.

The parent or guardian **must** give one of the above reasons for the absence to be excused.

Any absence called in by a student will be considered unexcused until contact is made with a parent/guardian. Telephone contact or a written note from the parent/guardian must occur **upon the morning of his/her return to school.**

Failure to call before the start of the school day results in an offense for students under eighteen (18), after 3 offenses the parents and juvenile court will be notified.

***** Note *** A student may have a total of five (5) or fewer non-medically excused absences for each nine week period. Additional absences will be considered unexcused (see below).**

3) Unexcused Absence – Unexcused absences are – truancy, failure to bring a note upon return from an absence, and skipping class(es). Classwork missed due to unexcused absence will not be graded or credited to the student. Unexcused absence will be handled in the following manner each semester:

After three (3) "unexcused" absences for students under the age of 18, the building principal/attendance person shall send notification to the parent/guardian concerning these absences. The truancy officer will be made aware of the student's attendance who may contact the parent/guardian informing them that their child is not attending school as required by ORC 3321.01. Subsequent absences may result in the Mercer County Prosecutor's Office being notified and unruly charges being filed against the student or charges may be filed against the parent/guardian concerning the failure of their child to attend school under ORC 3321.01.

TARDY POLICIES

Tardy to School/Class/Lunch: Students are expected to be at school, in class and to lunch on time. Tardies per class each semester shall be handled in the following manner:

1st tardy - results in a WARNING

2nd tardy - results in a fifteen (15) minute detention.

3rd tardy - results in a thirty (30) minute detention.

4th tardy - results in a teacher referral to the office, student will receive a 1-hour detention

5th tardy - shall result in a teacher referral to the office, student will receive a Wednesday School.

6th tardy - shall result in a teacher referral to the office, student will receive 1 day In-School Suspension.

Subsequent tardies shall result in a conference with the parent to find a solution to the tardiness problem. Failure to resolve the problem will be at the discretion of Principal and/or Assistant Principal and may result in an out-of-school suspension or filing charges with Juvenile Court.

5. **College Visitation Days**

Student visitation to college is encouraged to assist the student in making the best choice for future plans. To insure proper use of this day and for the safety of all students involved, the following guidelines need to be followed.

 - b. The college visitation form must be completed and returned to a guidance counselor three days prior to the absence/college visit.
 - c. A parent or adult over 21 years of age must accompany the students on the visitation and must sign the visitation forms.
 - d. Visits to WSU-Lake Campus should be made after school hours. Lima schools, unless dictated by the appointment times, should require only one-half day absence.

- e. Juniors and Seniors may be granted two (2) visitation days per school year. These days will count as excused absences for each visitation. However, if a student presents to the attendance secretary a visitation form signed by a college official the first school day after the college visit, the absence will be removed from the student's attendance record.
 - f. Any additional college visit days beyond the two days per school year must be approved in advance by the Principal and each day will automatically count as an excused absence day on student's attendance record.
 - g. College days cannot be taken after the second Friday in May each year unless special permission is granted by the Principal.
- 6. Homework requests**
Homework requests must be received by 8:00AM the day of the request.

WITHDRAWAL

A high school education is necessary for every student. Any student experiencing difficulty in graduating from high school should consult school counselors to work through conflicts.

Public law and Celina City Schools Board policy require that any student less than eighteen years of age is not eligible to withdraw without written permission from the Superintendent.

The Superintendent will initiate expulsion proceedings against a student who has committed an act that warrants expulsion even if the student withdraws from school before the Superintendent has held hearings or made the decision to expel the student.

STUDENT DRIVING/PARKING PRIVILEGES

1. Whenever a student is suspended, expelled, removed or permanently excluded for misconduct involving a firearm, knife or other weapon as defined in the adopted board policy, the superintendent shall notify the registrar and the county juvenile judge in writing within two weeks of the disciplinary action. The registrar shall temporarily suspend the student's temporary instruction permit or driver's license or prohibit the student from obtaining one until the student turns 18 or the registrar is notified by the superintendent that the pupil has satisfied any terms or conditions established by the school.
2. Any expulsion will constitute proceedings for loss of driving privileges.
3. Habitual truancy will constitute proceedings for loss of driving privileges.

Applications for parking passes for juniors and seniors will only be taken during student registration in August (***Fees must be paid to be eligible for a parking pass***). If there are extra parking spaces available after registration, Sophomores (holding a current driver's license) can apply for a parking permit. ***Fines may be assessed for parking on school property without a pass.***

Any student who parks in a designated staff area; who drives in a reckless and unsafe manner; who parks in a designated handicapped space or fire zone or who violates any other section of the school disciplinary code while parking a vehicle will be subject to:

CELL PHONES/ELECTRONIC DEVICES

In an effort to address the prominence and potential educational value of cell phones and electronic devices, Celina High School is revising their electronic device policy for the 2016-2017 school year. The administration reserves the right to revise or rescind this policy at any point during the school year, if deemed necessary, upon notification of the students and parents.

Personal property including, but not limited to cell phones, MP3 players, iPods, and similar devices, are to remain off and out of sight when the student is within the classroom, unless being used with permission from the teacher for educational purposes only. Teachers or administrators may request students to place their devices on the desk or floor during tests or quizzes in order to prohibit cheating. Failure to do so would not only be a violation of the cell phone policy but may also be considered cheating—resulting in a zero on the assignment. Students may use their device to text between classes and during their lunch period as long as they remain in the cafeteria. They may also use their device to listen to music through the use of headphones, while in the cafeteria, during their lunch period. Personal electronic devices are not to be used at any time to take photographs unless given permission by the principal or assistant principal.

Violation of this rule will result in:

- a. **First offense:** Item will be confiscated and returned at the end of the day (provided there are no concerns with the contents of the items).
- b. **Second offense:** Item will be confiscated and returned to the student after serving a one-hour detention (provided there are no concerns with the contents of the items).

- d. **Additional or repeated offense(s):** Item will be confiscated, held for one week, then returned only to the parent (provided there are no concerns with the contents of the items), and disciplinary action at the discretion of the Principal or Assistant Principal which may include the cell phone being held in the office during the school day and/or Out of School Suspension.

Improper use of cell phones on school grounds or at school related activities is subject to disciplinary consequences deemed necessary by the appropriate school officials.

Failure to comply with a school official's request for an item will result in immediate disciplinary action for failure to follow instructions.

LOCKERS

1. Hall lockers are available for all CHS students. The lockers are the property of the school board and are subject to inspection and search by school officials.
2. Students are expected to maintain lockers in good condition and to report any damages to the office. Marks or vandalism can result in disciplinary action.
3. The lockers are constructed with a built-in combination lock. Please do not place personal padlocks or combination locks on any lockers.
4. The combination will be given to the student when s/he is assigned a locker at registration. To prevent theft, these combinations should not be given to friends.
5. Students requiring provision of a duplicate combination may be fined.
6. Students who set their combinations so that the locker will remain unlocked are subject to appropriate disciplinary action.

EVACUATION AND SHELTER DRILL

Fire and tornado drills will be conducted throughout the year. They will be signaled by the sounding of an automatically controlled tone system which is sounded throughout the building. Lockdown drills will be conducted quarterly. Signs posted in the classrooms will advise the student of the proper exits or shelter areas.

The main rules to follow during the drills are: remain quiet, move quickly, but do not run, or push. Return to the room when the proper signal is given from faculty or school administrators.

SCHOOL DANCES

School dances are a privilege not a right. The school administration reserves the right to prohibit a student from attending a school dance as a disciplinary measure. No outside guest will be allowed into a dance without a current guest form on file (forms are available in the Main Office). Guest forms must be on file three days prior to the date of the dance. Students must arrive by the designated time or they may not be admitted. Once students leave a school dance, they may not return. Students will be subject to random breathalyzer tests. Students are expected to use good judgment with attire and are expected to conduct themselves in a decent and acceptable manner while in attendance. Students who behave poorly will be warned once and dismissed from the dance thereafter. Prom is open to students in grades 11 & 12 only including any out-of-town dates.

RANDOM ALCOHOL CHECKS AT SCHOOL FUNCTIONS

Celina City Schools will institute a random alcohol/liquor screen using a breathalyzer machine at school functions. The purpose of the alcohol/liquor screen is to help insure that all students enter the school-sponsored functions while not under the influence or having consumed alcohol and/or liquor. Any student having an alcoholic substance in, on, or about their person or in their vehicle is in violation of this policy. The policy includes any school-sponsored event including any pre and post-activities. This policy applies to all school-sponsored functions regardless of location.

The particulars of the screens are as follows:

- A. Individuals who have been trained in the use of the instrument or have a background in law enforcement may conduct screens on a random basis.
- B. The individuals conducting the screens, the function sponsors, and the administrators in attendance prior to the function will establish the random selection process. Additional students may be screened based on visual observations
- C. Students found to be positive may be subject to a police citation as well as a school code of conduct violation. This may also include an athletic or extracurricular violation if the student is involved in athletics or extracurricular activities.
- D. Parents of students found to be positive will be called to come to the function location and transport the student home. At that time, they (parents) may have an independent screen completed at the local hospital, if desired, at their own cost. If there is a challenge to the results of the screen at the function, the official hospital report must be submitted to the high school principal no later than two days after the event. The independent screen must have been conducted no later than two hours after leaving the event location.
- E. Law enforcement officers will remove the student from the event site if parents cannot be reached.
- F. Students who refuse to be screened will be denied admittance to the function. Students and/or recent graduates attending the function who are currently not students at Celina City Schools are subject to the screens. If the attendee is currently a student at another school, their school will be notified of the screen test results if positive.

Any questions concerning this procedure or the application of the process should be directed to the high school Principal.

SECURITY VIDEO

The Celina City School District may use video recording on District property. These videos, which are made for the protection and welfare of the school community, typically contain images of many students, as well as District employees and other persons. Security videos contain personally identifiable information about students. State and federal laws generally prohibit the release of this information, and the District has not designated the videos as "directory information" that may be disclosed without the prior written consent of the students' parents or guardians. Security videos, and the personally identifiable information contained on the videos, will be disclosed only when authorized by law or when the disclosure is made to school officials with legitimate educational interests. The videos otherwise will not be disclosed to any person.

INTERROGATIONS AND SEARCHES

The District has responsibility for the control and management of the students during the school day and hours of approved extracurricular activities. The District has developed regulations to be followed in the case of searches and interrogations.

The right of inspection of students' lockers or articles carried upon their persons and the interrogation of an individual student is inherent in the authority granted to the Board. Administrators should exercise procedures to ensure parents that the school, in exercising its "in loco parentis" relationship with their children, will employ safeguards to protect the well-being of those children. Searches may take place when it is reasonably likely to produce anticipated tangible results to enforce school rules, combat theft, preserve discipline and good order or promote the safety and security of persons and their property within the area of educational responsibility.

School personnel must have "reason to believe" that the items actually exist in the area to be searched. They are also permitted to search personal property (purse, knapsack, gym bag, vehicle, etc.) of a student when there is reason to believe that evidence will be obtained indicating the student's violation of either the law or school rules.

Student lockers are the property of the school entrusted to students for their responsible use and are subject to search at any time.

In no situations or circumstances are strip searches to be conducted by school personnel. In circumstances where the gravity of the situation seems to warrant a strip search, the police are to be contacted and secured to perform all searches of this nature. For purposes of the policy, a strip search is defined as a complete removal of all clothing.

Interrogations of students by law enforcement agencies and other authorities outside the District are extremely disruptive to a student's educational process; additionally, such interrogations may impact student and/or parental rights. A determination whether to allow such interrogation will be made by school administrators on a case-by-case basis. LEGAL REFS: ORC 3313.20

SUBSTANCE-FREE ENVIRONMENT

The Board believes that tobacco smoke and all forms of tobacco in the school and work environments are not conducive to good health. As an educational organization, the District should provide both effective educational programs and a positive example to students concerning the use of tobacco.

Recognizing the negative impact on nonsmokers or other smoking, the Board declares all public buildings operated by the Board, and all spaces within them, to be officially designated smoke-free as well as free of the use of all tobacco products. Staff, students, and members of the public are expected to observe this restriction at all times.

The Board will not permit any student or employee to possess, transmit, conceal, consume, show evidence of having consumed, used or offer for sale any alcoholic beverages, illegal drugs, non-prescribed drugs, look-alike drugs or any mind-altering substance while on school grounds or facilities; at school sponsored events; or in other situations under the authority of the District or in school-owned or school-approved vehicles. Included in this prohibition are any substances represented as a controlled substance, non-alcoholic beers, steroids, tobacco and tobacco products, and drug paraphernalia.

ZERO TOLERANCE OF VIOLENT BEHAVIOR TO INCLUDE VIOLENCE IN A DATING RELATIONSHIP

The Board of Education has established a policy for absolutely no tolerance of any behavior that is considered violent in nature and that has the potential to cause harm to students or staff members. Offenders who commit an act that inflicts serious physical harm to persons or property—at school, on other school property, or at a school activity, event or program, may be expelled for up to one year.

SEXUAL HARRASSMENT

All persons associated with the school district including, but not limited to the Board of Education; the administration; the staff and students, are expected to conduct themselves at all times so as to provide an atmosphere free from sexual harassment. Sexual harassment whether verbal or physical, or occurring in or out of a district-owned building, or at school-sponsored social functions or activities is illegal and unacceptable and will not be tolerated. Any person who engages in sexual harassment while acting as a member of the school community will be in violation of Board policy (File ACAA).

The Board has developed complaint procedures, which are available to victims of sexual harassment (INCLUDING STUDENTS). The Board has also identified disciplinary penalties, which could be imposed for the offenders.

Non-exhaustive examples of sexual harassment include, but are not limited to: unwanted sexual advances; demands for sexual favors in exchange for favorable treatment or continued employment; repeated sexual jokes, flirtations, advances or propositions; verbal abuse of a sexual nature; graphic verbal or written commentary relating to an individual's body; sexual prowess or sexually obscene comments or gestures; or displays in the work place or school environment of sexually suggestive or obscene objects or pictures.

The Board appoints sexual harassment grievance officers in each building who are vested with the authority and responsibility of processing all sexual harassment complaints in accordance with the procedure established.

Students must understand that this type of inappropriate behavior is serious and will not be tolerated. Offenders could be subject to suspension and/or expulsion and referral to local law enforcement officials.

Students who are victims of this type of behavior should report immediately to a school counselor and/or the building principal to receive assistance and/or to initiate the grievance process.

STUDENT CONDUCT AND DISCIPLINE

DUE PROCESS IN DISCIPLINARY PROCEEDINGS

A. Due process in Suspension, One (1) to Ten (10) Days

Students may be suspended out-of-school by the Assistant Principal, Principal, Tri-Star Director, Tri-Star Assistant Director or Superintendent, in accordance with Section 3313.66 of the Ohio Revised Code, from one to ten days which may carry over into the next semester. If fewer than ten days remain in the current school year, the superintendent may apply any remaining part or all of the period of suspension to the following year. The following steps are required:

1. Clearly inform the student of the exact nature of the misconduct with which s/he is charged and the possible consequences of that misconduct.
2. Provide an informal hearing to include the involved student(s) and any other student and/or school personnel who might have knowledge of or lend insight into the matter. A record of the hearing shall be kept by the principal and signed by the student.
3. If the principal decides on suspension at this time, s/he will attempt to contact parents by telephone, and inform them of the reason(s) for the suspension and its duration, and offer them an opportunity for a formal hearing. This must be done within 24 hours. If contact by phone cannot be made, then written communications must be sent to the parents.
4. If parents request a hearing it will be held at a time that is mutually acceptable. If parents or student do not want a formal hearing, the principal will make his/her decision regarding the suspension using available evidence and information.
 - e. If a hearing is held, parents and/or student(s) will have the opportunity to present a witness or witnesses of their own choosing.
 - f. When suspension from school is decided, the Superintendent must be informed of which student, the reason(s) and length of suspension.
 - g. The due process procedure must be followed by the school administration.

B. Due Process in Expulsion

1. Students may be expelled from school only by the Superintendent in accordance with Section 3313.66 of the Ohio Revised Code. The following steps are required:
 - a. Clearly inform the student of the exact nature of the misconduct with which s/he is charged and the possible consequences of that misconduct.
 - b. Provide an informal hearing to include the involved student(s) and any other student and/or school personnel who might have knowledge of or

- lend insight into the matter. A record of the hearing shall be kept by the principal and signed by the student.
- c. If the Principal feels expulsion would be necessary, s/he presents written notice of the charges brought against the student and the evidence upon which these charges are based. These are sent in advance of a hearing (if a hearing is requested by the parents).
 1. Along with the above a notice will be sent of Board-adopted policies on formal procedure for the hearing itself.
 2. Also notification of the student's right to representation and counsel will be sent at this time.
 3. Also to be sent at this time is notification of student's right to cross examine any witness at the hearing, as well as to being a witness on his/her own behalf, if conducted in a manner appropriate to the situation and on a factual basis.
 - d. If a hearing is requested, it will be held promptly, at a mutually acceptable time and location.
 - e. If expulsion is determined, an attempt must be made within twenty-four hours to call the parent or guardian advising them of the decision. In addition, a written notification shall be sent which includes reason(s) for expulsion.
2. Parents may appeal an expulsion to the Board of Education. The Board, if requested, shall give the expelled student and/or his/her parent or guardian, a hearing. It may reinstate him/her by a majority vote of its entire membership taken at a public meeting, or it may let the decision stand. The hearing may be held in executive session at the request of the student, his/her parent, guardian, or attorney, but the final decision must be made at a public hearing.
 3. If the expulsion is to stand, the parent, guardian or student may appeal to a court of proper jurisdiction.

Wednesday School: Wednesday School (a two hour session after the close of the school day) is used as an effective disciplinary tool. Failure to serve an assigned, disciplinary Wednesday School will result in a one-day Out-of-School Suspension.

In-School Suspension: This disciplinary action may be assigned from 1 – 10 days. Students are placed in an alternative setting where they are closely monitored by school personnel in a highly-structured environment. Credit is given for all homework completed. Out-of-School Suspension: Being removed from school property and not allowed to re-enter until the end of the suspension. Students will not receive credit for work or be allowed to make up tests. STUDENT CODE OF CONDUCT

Infractions of the following rules could subject a student to detention, Wednesday School, In-School Suspension, Out-of-School Suspension, or expulsion as deemed appropriate by the Principal or Assistant Principal. Students who violate the district approved Acceptable Use Policy (computers & internet) are also subject to the aforementioned as well as termination of computer privileges. These rules will be enforced on all school property, in school vehicles and at any extracurricular activity. However, the student must understand clearly:

1. When his/her behavior is deemed inappropriate, disrespectful, disruptive and/or unsafe to self or others, and if this behavior is not addressed in this handbook, that behavior can be deemed as insubordinate and appropriate discipline assigned by the Principal or Assistant Principal.
2. When a student's disciplinary history becomes "expanded or persistent", throughout the course of a school year, that student is subject to Out-of-School Suspension and/or expulsion for the current semester of attendance.
3. This code of student conduct applies while school is in session, at school activities and while traveling to or from school. In addition, a student may be subject to school disciplinary action under this code for harassment, vandalism, physical abuse, disrespect to staff members or other disruptive behavior toward school personnel during non-school hours. Such action is deemed appropriate by the Board of Education because disrespectful acts could negatively affect student behavior at school and thereby be detrimental to the learning environment.
4. Violation by a student of any one or more of the following rules of conduct may result in disciplinary action, including suspension, removal, expulsion, filing a complaint with Mercer County Juvenile Court and/or contacting local law enforcement. Parents will be notified when any such action is used.
5. Students may be disciplined for any misconduct which occurs off school property to the extent that (1) the misconduct is connected to activities or incidents which have occurred on property owned or controlled by the Board of Education, or (2) the misconduct, regardless of where it occurs, is directed at a District official or employee, or the property of such official or employee, or (3) the misconduct, regardless of location, the effects of which disrupt the educational environment.
6. In order to participate in field trips, ALL fees, lunch charges, and fines must be paid in full - past and current.

Students guilty of vandalism, *including any release of mercury by a student*, on school shall be required to pay in full for damage. Notice of such damage should be sent to the parent or guardian by the high school Principal or Assistant Principal. Any failure to settle promptly on the part of the parents should be reported to the Superintendent who may take the necessary legal steps in Juvenile Court to enforce this policy.

Rule 3. Inappropriate/Unauthorized physical contact: A student shall not cause physical injury or behave in such a way, which could threaten to cause physical injury to school employees, other students or visitors.

Rule 4. Dangerous Weapons, Instruments: A student shall not possess, use, transmit, conceal or handle any object, which might be considered a dangerous weapon or instrument that could cause injury or damage. These include but are not limited to *smoke bombs, fireworks or explosives of any kind, firearms, lighters, knives and pocketknives*. This includes "look alike" weapons. Students are not to bring laser pens/pointers to school at any time; improper use of these devices may cause physical harm to others.

Rule 5. Tobacco: A student shall not possess, use, transmit or conceal any tobacco or tobacco products (including snuff, electronic cigarette or smokeless tobacco). This prohibition applies at any time the student is under the jurisdiction of the school.

Second offense: Five (5) days In-School Suspension and school officials will file a complaint with the Mercer County Juvenile Court.

Third offense: Ten (10) days Out-of-School Suspension with recommendation for expulsion and school officials will file a complaint with the Mercer County Juvenile Court.

Rule 6. Alcoholic Beverages, Narcotics, & Drugs: A student shall not possess, use, transmit or conceal any alcoholic beverage, dangerous drug, narcotic, pill or capsule, mind-altering substance, or drug paraphernalia. This prohibition applies at any time the student is under the jurisdiction of the school, and the possession or use of "look-alike" drugs may also result in suspension. The administration reserves the right to request a student to take a breathalyzer test or drug test if there is reasonable suspicion that the

student shows evidence of consumption of alcohol or drugs. Refusal to participate in the test may result in disciplinary action as indicated below.

School officials will adhere to following actions when dealing with student alcohol offenses:

STUDENT BUS REGULATIONS

Although the Celina City School District furnishes transportation in accordance with state law, it does not relieve parents of students from the responsibility of supervision until such time as the student boards the bus in the morning and after the student leaves the bus at the end of the school day.

Once a student boards a bus, s/he becomes the responsibility of the District. Such responsibility will end when the student is delivered to the regular bus stop at the close of the school day.

Students on a bus are under the authority of and directly responsible to the bus driver. The driver has the authority to enforce the established regulations for bus conduct. Disorderly conduct or refusal to submit to the authority of the driver will be sufficient reason for refusing transportation service to any student.

Regulations regarding conduct on school buses, as well as general information about the school transportation program, will be approved by the Board and made available to all parents and students.

Video security cameras are installed in the district's school buses. Appropriate disciplinary action will be taken if a student is videotaped and determined to be in violation of any of the bus safety rules.

Steps Of Discipline By Principal or designee (for bus-related infractions):

1. First written referral - 1-3 days suspension of bus riding privileges
2. Second written referral – 5 days suspension of bus riding privileges.
3. Third written referral – 10 days suspension of bus riding privileges, with recommendation for removal from the bus for the remainder of the semester or school year.

***At all times, the principal has the authority to remove a student immediately and/or permanently if a student engages in extremely dangerous or illegal conduct.**
