Dear Mrs. Hodge,

I would like to let you know that I will be retiring as of August 1, 2023. There is so much I have enjoyed about being a teacher's assistant. Being part of this school's staff has been very fulfilling. Everyone cares so much about helping students learn and grow. I will remember all the field trips, assemblies, school plays and other activities with a smile. It truly has been a wonderful learning experience for me as well the last 13 years.

Sincerely,

A handwritten signature in cursive script that reads "Jane Fleck". The signature is written in black ink and is positioned above the typed name and title.
