

Dear Dr. Schmiesing and Board of Education,

(3)

I am writing you to approve a deduct days for February 7, 2023- February 9, 2023. My oldest son, Corey, will be graduating from AIT training on the 8th. My family is planning on driving to Virginia to spend family day and his graduation that week. I have used my personal days to go see him graduate from basic training in October.

Thank you for your time,

Hillary Greber
