Dear Dr. Schmiesing,

It is my intention to retire from my position as a teacher in the Head Start program. The effective date of my retirement will be August 1, 2017. I have thoroughly enjoyed working with everyone and appreciate the support provided to me during the past 25 years with Celina City Schools. I am so thankful for the opportunity of working with such a great group.

If I can be of assistance in any way now or in the future please let me know.

I would be happy to offer whatever assistance I can to provide for a smooth transition. Thanks again.

Sincerely,

A handwritten signature in cursive script that reads "Kathy Fleagle".
