Please accept this letter of retirement from the position of bus driver, effective September 1, 2015.

At age 69, I am not just retiring from bus driving, I'm also retiring from my stress and my alarm clock, that will never ring at 4:30 A.M. again.

After more than 50 years of being employed, I am very excited to start a new phase of my life, and I am confident that I will enjoy this new endeavor.

Respectfully Yours,

Susan Barga
