

To whom it may concern,

I, Heather Kuhn, will be resigning from my position of Chaos Coordinator (Lunch Room Help) once someone has been hired and I have trained said person. The last thing I want to do is leave the ladies with no one in this position. Celina City Schools, especially West Elementary, has been an amazing experience. I look forward to subbing in the future.

Sincerely,

Heather Kuhn

A handwritten signature in black ink, appearing to read "Heather Kuhn", with a long horizontal flourish extending to the right.
