Dr, Ken Schmiesing :

I would like to request a deduct days for Monday, November 21, 22, and 23, 2022. My one daughter is having a lot of medical problems and I have had to take her to multiple doctor's appointments. With that being said, I have used all my sick days. On Monday, Tuesday and Wednesday I had to take off as my youngest daughter got sick with Strep Throat and had a fever.

Thank you,
