Dear Dr. Schmiesing,

I would like to request a deduct day for Monday, May 6, 2019. I am a recent hire as a bus aide for two hours on the lunch route for Head Start and did not realize I couldn't use a personal day this late in the school year. My daughter is coming home from California this weekend with my 7 year old grandson and 8 month old grandson. They have not been home for 3 years and I'd really like to spend time with them until she leaves early Tuesday morning.

Thank you for your consideration in this.

Sincerely,

Nick Fleck
