I am writing this letter to inform Celina City Schools that I am resigning from my job as Cafe Staff at Celina Middle School. I will not be returning when school begins in August, due to I will be staying home to babysit for our new grandson.

I have enjoyed the last 4 years and hope to return to a job with Celina Schools in the future. As of now I would like to be added to the sub list as I will be available on some days and would love to continue to help out.

Thanks,

Tammy Dailey
