Dear Dr. Ken Schmiesing,

I wish to inform you that effective October 16, 2017 I am resigning from the High School Cafeteria.

I have enjoyed working for 16 years with the Celina City Schools and appreciate the opportunity. I would like to thank the entire staff and especially my colleagues for their support given to me during my employment.

Celina City Schools made a great choice when they hired Kim Koesters to manage the cafeteria. She is a fantastic manager.

Sincerely,

Michelle L. Ley
