Attachment D

Dr. Schmiesing,

I would like to request one deduct day on October 18th. Our daughter and her husband's home was destroyed during the Memorial Day Tornado. We returned 6 days early from our vacation at that time, and have credit to be used before it expires. We plan on leaving on October 11th and returning October 20th. I will be using three personal days along with the one deduct day as well.

Thank you so much for your consideration,

Dawn Gagle
