Dear Dr. Schmiesing,

Enclosed is a contract to continue your membership in the West Central Ohio Assistive Technology Center (ATC) Consortium. This contract must be signed by you and your treasurer and returned to us by July 1, 2019. An invoice has been sent to your treasurer with a copy of this letter.

Also enclosed is a list of the Assistive Technology Steering and Selection Committee members and a brochure giving you an overview of how the Consortium works.

During the 2018-2019 school year 30 districts participated, which provided the Assistive Technology Center with \$27,000. The ATC Committee appreciates your commitment to this project and looks forward to continued funding from your district. The mission of this project is to provide assistive devices to students in the participating districts who need alternative means to communicate in the classroom, home and community, and have been unable to obtain funding from other sources.

If you have any questions regarding the Assistive Technology Center, please do not hesitate to contact me at 1-800-686-2945.

Sincerely,

Rebecca Rees
Director
