Phase Submission Form (K-12 School Project)

State of Ohio Standard Forms and Documents

School District:

Celina CSD

Building Name:

Celina New MS/HS

Phase:

POR

SD

DD

CD

The undersigned has reviewed the documents listed above, incorporated all previous review comments, and certifies them to be sufficient and adequate for the referenced stage of design and in conformance with the Design Manual and policies with the exception of any approved variance. The undersigned certifies that the specifications contain a minimum of three manufacturers for products and building systems, except where an Architect Justification Letter explains the basis for a more restrictive specification.

The undersigned certifies that for projects funded after April 12, 2021, water bottle fillers complying with ORC Section 3318.038 have been provided and shown on the drawings.

Architect

Date

The undersigned has reviewed the documents listed above, incorporated all previous review comments, and certifies them to be in conformance with the Design Manual and policies with the exception of any approved variance.

Construction Manager/Owner Agent

Date

The undersigned has received the documents listed above and, based upon the certification of the Architect and Construction Manager, and appropriate resolution of the Board of Education, approves them for submission to the Commission.

School District

Date

In reliance upon the certifications of the Architect and Construction Manager/Owner Agent, and based upon reasonable inquiry and review, the undersigned indicates as marked below:

Approves phase submittals to be in conformance with the phase submission requirements.

Approved as noted, based upon the incorporation of the attached review comments dated

Rejects

Ohio Facilities Construction Commission
