Subject: Request

Dear Mr. Steiner,

I am respectfully requesting to be granted 2.5 deduct days to be taken in May. My husband and I through his hard work were rewarded, unexpectantly, with a trip to Florida to congratulate his work-growth efforts in a Land O Lakes/Purina reception. Since I have 1.5 personal days left, I would use those and need deduct days for May 6 (.5), 7, & 8. I am hoping to be able to attend this trip with your approval along with the Celina City School Board.

Thank You,
Cheryl Pease
