

Mr. Griesiger,

Oct. 5, 2016

I would like to request a deduct day on Feb. 10, 2016. I plan to use my 3 personal days first then I need an extra day. I have an opportunity to go with my husband on a work related trip, but it also happens to be our 25th Wedding Anniversary. We will use this trip to celebrate this special occasion. Thank you for your consideration.

Thank you,

Angie Stoner
