9. We will need to depend on the school staff in the buildings to use their best judgment and common sense to determine when it is acceptable for the students to take "mask breaks" or refrain from wearing masks.
10. If a student/staff is not able to wear a face mask, a face shield may be used as an alternative, as some protection is better than no protection.

Visitors: Are generally discouraged from being in school district facilities. If visitors are in district facilities, they are required to wear a face mask.

Students, staff and volunteers who show symptoms of COVID-19 will be given a mask and will be asked to wait in a space separate from the nurse's office or other areas where students are likely to visit.

Busses: Face masks are required for students and staff. The driver may remove their mask when they are preparing to move, and are actively moving the bus.
