Celina City School Residents,

Celina City Schools is seeking your input! We are looking at the future of our school facilities. What do we need to have for the next 50 years? At this point, nothing has been decided and everything is on the table. We need community input to help guide us to make good decisions that will benefit our community for generations to come. Please answer the following survey questions as we begin this process.

After you have completed this survey, you may drop it off at any of our school buildings. If you would like to mail it, please send it to my attention as follows: Dr. Ken Schmiesing, Celina City Schools Survey, 585 E. Livingston St., Celina, OH 45822. To be included in our results, all surveys must be submitted by Friday, September 21, 2018.

Below is the link to the survey so that you can complete the survey on line.

You may use the QR code that has been included on this page to access the on line survey.

The survey is set up to only allow one response per device.

Thank you for taking the time to help us gather your input. The results of this survey will be shared at an upcoming Board of Education meeting and will be released to the media.

Go Bulldogs!!!
