

March 6 – March 23

K3 Newsletter

From Mrs. Miller.....

The March character word is Trust. We will talk about what makes a person trustworthy.

We had a great week celebrating Dr. Seuss. The children enjoyed all the books we read; I hope your child shared our activities with you! I will be posting a picture of the children in their Dr. Seuss hats on my teacher page.

Although we are beginning the 4th nine weeks soon, we still have so much to do:

- We have to study addition and subtraction....the state standards are changing and the children are required to know more addition and subtraction facts before they go to first grade!
- We will be celebrating Right to Read week with lots of reading activities.
- We will be going to the Make Believe Hospital in Coldwater..... I will let you know the date as soon as I know.

Please be sure you are looking through your child's folder and plastic envelope every evening.....If there are papers that are graded, please go over the work with your child, especially anything that is marked wrong.

If you are going to send money for the school store, please put it in an envelope or a baggie with your child's name on it and how much money you are sending. This alleviates any questions I may have.

Thank you so much for sending in snacks and bandaids. The children and I appreciate it!

A big thanks to our volunteers who have faithfully been coming every week to listen to the children read: Sara's mom and grandma, Griffin's dad, and Zachary's mom and dad!

Important Dates

March 16th End of 3rd nine weeks
